**WHEREAS**, this Council fixed 6:00 p.m. (or as soon thereafter as the matter may be heard) on Wednesday, September 28, 2022, at City Hall, 8400 Laguna Palms Way, Elk Grove, California, as the time and place for a public hearing on the Engineer’s Report as supplemented by Supplement No. 25 and the question of levying the assessments and provided for notice of the hearing; and

**WHEREAS**, this Council hereby finds that a notice of the time and place for the public hearing has been published for two successive weeks in *The Elk Grove Citizen*, and posted in three public places in the City in the time, form, and manner required by law; and

**WHEREAS**, ballots were mailed to the recorded owner of each identified parcel within the boundaries of the territory proposed to be added to the City of Elk Grove Street Maintenance District No. 1 at least forty-five (45) days prior to the public hearing; and

**WHEREAS**, the public hearing was duly convened by this Council at the time and place indicated in the notice of hearing and all ballots received were presented to the Council; and

**WHEREAS**, this Council thereupon proceeded with the public hearing and duly heard all interested persons desiring to be heard and duly considered all of the protests at the hearing; and

**WHEREAS**, at the time of the close of the public hearing, the ballots were tabulated by the City Clerk to determine the existence of a majority protest with all ballots weighted according to the proportional financial obligation of each affected property.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Elk Grove that:

1. **Recitals**. The foregoing recitals are true and correct and this Council so finds and determines.

2. **No Majority Protest; Protests Overruled**. It is hereby determined that, upon the conclusion of the public hearing, and after tabulation of the assessment ballots submitted, no majority protest against the assessment existed because the assessment ballots submitted in opposition to the assessment did not exceed the ballots submitted in favor of the assessment. In the tabulation of the ballots by the City Clerk, who has been designated as the impartial person responsible for the tabulation, the ballots were

weighted according to the proportional financial obligation of the affected properties. The protests, if any, against the proposed work, in whole or in part thereof, or against the District, or the extent thereof to be assessed for the costs and expenses of the District, as a whole or as to any part thereof, or against the engineer's estimate of costs and expenses, in whole or in part, or against the maps and descriptions, in whole or in part, written or oral, are hereby overruled.

**3. Final Approval of Engineer's Report.** This Council hereby approves Supplement No. 25, which incorporates by reference the Engineer's Report, as now on file with it.

**4. Benefit Finding.** This Council hereby finds and determines that the assessment included in the Engineer's Report as supplemented by Supplement No. 25 assesses all assessable lots or parcels described therein in proportion to the benefits to be received by each affected parcel, respectively, from the maintenance of roads and streets.

**5. Determination of Assessment.** This Council hereby determines and levies the assessment as described in the Engineer's Report as supplemented by Supplement No. 25.

**6. Directive to Record and File Documents.** This Council hereby directs the City Clerk to record the assessment diagram and the assessment roll in his office and to file the assessment diagram and record the notice of assessment in the office of the Sacramento County Recorder.
