

RESOLUTION NO. 2022-102

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ELK GROVE IDENTIFYING THE PROJECTS TO BE INCLUDED IN THE SB1 PROJECT LISTING TO RECEIVE FUNDING FROM THE ROAD MAINTENANCE AND REHABILITATION ACCOUNT (RMRA) FOR FISCAL YEAR 2022-23 AS REQUIRED BY THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017 (SB1)

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by then Governor Brown in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of Elk Grove are aware of the projects proposed for funding in the community and which projects have been completed each fiscal year; and

WHEREAS, the City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City, will receive an estimated \$4,060,276 in RMRA funding in Fiscal Year 2022-23 from SB 1; and

WHEREAS, this is the sixth year in which the City is receiving SB 1 funding that will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, and increasing access and mobility options for the traveling public that would not have otherwise been possible; and

WHEREAS, the City has undergone a robust public process to ensure public input into the community's transportation priorities/project list; and

WHEREAS, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City maintain and rehabilitate approximately 412 street segments throughout the City this year and 233 street segments for similar projects into the future; and

WHEREAS, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the City's streets and roads are in a "very good" condition and this revenue will help the City increase the overall quality of the road system, and over the next decade will bring the City's streets and roads up to an excellent condition; and

WHEREAS, the SB 1 project list and overall investment in local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive benefits citywide.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Elk Grove hereby:

- 1) Finds the foregoing recitals are true and correct; and
- 2) The following newly proposed project will be funded in-part or solely with FY 2022-23 Road Maintenance and Rehabilitation Account revenues:
 - A. 2023 Pavement Slurry Seal and Resurfacing Project (WPR023):
 - Improvements to be completed by this Project will likely include asphalt concrete repairs, crack sealing, slurry seal and cape seal treatments, as well as ADA improvements and miscellaneous concrete repairs associated with this work.
 - A Street List is provided in Exhibit A.
 - Staff anticipates that this Project will start construction in the Fall of 2022 and be completed by October of 2023.
 - The estimated useful life of all expected improvements is between five years (pavement seals) and ten years (pavement patches and repairs).
 - 3) The following previously proposed and adopted projects may also utilize FY 2022-23 Road Maintenance and Rehabilitation Account Revenues in their delivery. With relisting of these projects in the adopted fiscal year resolution, the City is reaffirming to the public and state its intent to fund these projects with Road Maintenance and Rehabilitation Account revenues.
 - B. 2022 Pavement Slurry Seal and Resurfacing Project (WPR022):
 - This Project includes asphalt concrete repairs, crack sealing, slurry and cape seal treatments
 - A Street List is provided in Exhibit B.
 - This Project began construction in Spring of 2022 and all work is expected to complete by October of 2022.
 - The estimated useful life of all items identified is between five years (pavement seals) and ten years (pavement patches and repairs).
 - C. Arterial Roads Rehabilitation (WPR014):
 - This Project will rehabilitate or resurface pavement on portions of Waterman Road and Elk Grove Florin Road and provide Class II bike lanes. Also included are a mid-block pedestrian crossing along Elk Grove-Florin Road and a new sidewalk along one section of the west side of Waterman Road just south of Bond Road.
 - A Project Location Map is provided in Exhibit C.
 - Staff anticipates that this Project will start construction in the spring of 2022 and is anticipated to be complete in the fall of 2022.
 - The estimated useful life of all items is between seven years and twenty years.

D. Elk Grove Florin Complete Street and Resurfacing Project (WTR078):

- This Project, which will be the third phase of a multi-modal and state of good repair funding on this corridor, will include pavement resurfacing, sidewalk gap closures, ADA curb ramp upgrades, the addition of new class II and class III bike lanes, upgrades to video detection, and pedestrian interval prioritization.
- A Project Location Map is provided in Exhibit D.
- Staff anticipates that this Project will start construction in the summer of 2023 and is anticipated to be complete in the fall of 2023.
- The estimated useful life of all items identified is between fifteen years and twenty years.

PASSED AND ADOPTED by the City Council of the City of Elk Grove this 11th day of May 2022

BOBBIE SINGH-ALLEN, MAYOR of the
CITY OF ELK GROVE

ATTEST:

JASON LINDGREN, CITY CLERK

APPROVED AS TO FORM:

JONATHAN P. HOBBS,
CITY ATTORNEY
