AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ELK GROVE AMENDING THE CITY OF ELK GROVE ZONING MAP FROM AR-5 TO AR-2 FOR BADER ROAD PARCEL MAP PROJECT NO. EG-05-812 – APN: 122-0210-009-0000

The City Council of the City of Elk Grove does ordain as follows:

Section 1: Purpose and Authority

The purpose of this Ordinance is to amend the City of Elk Grove Zoning Map as shown on attached Exhibit A.

Section 2: Findings

CEQA

Finding: On the basis of the whole record, there is no substantial evidence that the project as designed, conditioned and mitigated will have a significant effect on the environment. A Mitigated Negative Declaration has been prepared and completed in accordance with the California Environmental Quality Act (CEQA). The Mitigated Negative Declaration reflects the independent judgment and analysis of the City.

Evidence: An Initial Study evaluating the potential environmental effects of the project was prepared for the proposed project. Potentially significant adverse effects related to agricultural and biological resources were identified in the Initial Study. Mitigation Measures have been imposed on the project and the Applicant has agreed to implement proposed mitigation measures that reduce the impacts to a less than significant level. Preparation of a Mitigation Monitoring and Reporting Program (MMRP) is required in accordance with City of Elk Grove regulations and is designed to ensure compliance during project implementation.

The City distributed the Notice of Intent to Adopt the Mitigated Negative Declaration on February 3, 2006. It was posted at the Sacramento County Clerk's Office, distributed through the State Clearinghouse and at the City offices, pursuant to CEQA Guidelines 15072. A 30 day review and comment period was opened on February 3, 2006 and closed on March 5, 2006. The Mitigated Negative Declaration was made available to the public during this review period. The City received no written comment letters within the 30 day public review period.

General Plan

Finding: The project is consistent with the goals and policies of the Elk Grove General Plan.

Evidence: The subject project creates four (4) new residential parcels from one undeveloped lot in a residential area of the city. The Elk Grove General Plan designates the site Rural Residential. The site is suitable for residential development and is consistent with surrounding parcels which consist of rural residential/agricultural uses.

Rezone

Finding: The proposed rezone is in the public interest (Section 65358(a) of the Government Code.

Evidence: The Applicant's proposal is consistent with the allowed density ranges and uses in the Elk Grove General Plan and General Plan Land Use Map. The proposed rezoning meets all applicable standards of the Elk Grove Zoning Code. The proposed project implements the General Plan's objectives for orderly and systematic development and responds to opportunities and constraints in the local community area.

Section 5: Severability.

If any provision of this ordinance or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this ordinance are severable. This City Council hereby declares that it would have adopted this ordinance irrespective of the invalidity of any particular portion thereof and intends that the invalid portions should be severed and the balance of the ordinance be enforced.
