## Standards Update Transmittal

Reference Number: 2023-10  
Standards: Standard Construction Specifications, 7-8.06

### Update:

1. Modification to Standard Construction Specifications:
  - a. Section 7-8.06 - LANE AND ROAD CLOSURES DURING NOVEMBER/DECEMBER HOLIDAY SEASON, revised holiday season to include more specific dates and times.
  - b. Removed reference to Appendix A and a map and replaced with a Table listing all the streets and road segments impacted by the holiday moratorium.

### Effect of Update:

1. This modification removes the ambiguity from holiday season definition and clearly defines start and end dates and list of streets.

**7-8.06 Lane and Road Closures During November/December Holiday Season**

Except as provided in the Special Provisions or approved by the City, construction will be suspended and no activities that interfere with public traffic shall be conducted on the designated streets during the holiday season (defined as 5:00 p.m. on the Friday before Thanksgiving week through 7:00 a.m. of the first business day in January). All existing pits, excavations, trenches, and openings in the road surface shall be backfilled and paved to produce a level and smooth surface. All construction area traffic control devices, as defined in Section 12 of these specifications, shall be removed from all traffic lanes, unless authorized by the City as long-term traffic controls. Only emergency repairs as defined in Section 7-8.03, "Emergency Repairs", in this Section of these Specifications will be permitted during the holiday season.
