1. SCOPE, TERM AND STANDARDS:

A. CONTRACT. Consultant shall do all work, attend all meetings, produce all reports and carry out all activities necessary to complete the services described in the SCOPE OF WORK AND STANDARDS FOR SERVICES, attached hereto and incorporated herein by this reference as Exhibit A, as requested by the City. Consultant shall, at its own cost, make any revisions of its own work as required by the City and re-do, at its own cost, any work which the City finds unsatisfactory due to Consultant’s errors or omissions. Consultant represents and warrants that it has the qualifications, experience, and facilities to properly perform said services in a thorough, competent, and professional manner. This document shall be known as the “Contract.” This Contract and its exhibits shall be known as the “Contract Documents.” Terms set forth in any Contract Document shall be deemed to be incorporated in all Contract Documents as if set forth in full therein. In the event of conflict between terms contained in these Contract Documents, the more specific term shall control. If either party to this contract deems that any portion of the Contract Documents shall be in conflict with any other portion, the Parties shall first attempt to informally reach an interpretation of those provisions so as to reconcile them. If after five (5) business days the Parties are unable to reach an informal resolution, the City shall issue in writing an interpretation resolving the conflicting provisions, which shall be provided to Consultant. The interpretation provided by the City shall become final and binding on the parties three (3) business days after it was provided to Consultant, and shall thereafter be an integrated term of this Contract and neither party shall be considered to be the drafter of the provision.

B. CONSULTANT IS INDEPENDENT CONTRACTOR. Consultant enters into this Contract as, and shall at all times remain as to the City, an independent contractor and not as an employee of the City. Nothing in this Contract shall be construed to be inconsistent with this relationship or status. The Consultant shall have no power or authority except by this Contract to bind the City in any respect. All

employees, agents, contractors or subcontractors hired or retained by the Consultant are employees, agents, contractors or subcontractors of the Consultant and not of the City. The personnel performing the services under this Contract on behalf of Consultant shall at all times be under Consultant's exclusive direction and control. Neither City nor any of its officers, employees or agents shall have control over the conduct of Consultant or any of Consultant's officers, employees, or agents, except as set forth in this Contract. Consultant shall not at any time or in any manner represent that it or any of its officers, or employees, or agents are in any manner officers, employees, of the City. Consultant shall not incur or have the power to incur any debt, obligation, or liability whatever against City, or bind City in any manner. The City shall not be responsible, obligated, or liable in any way to pay any salary, wage, compensation, tax, withholding, benefit, injury, illness claims or other claims made against the Consultant and/or the City by any such employees, agents, contractors or subcontractors, or any other person arising from performance of this Contract. Additionally, Consultant shall be solely responsible, obligated, and liable for any and/or all salary, wage, compensation, tax, withholding, benefit, injury, illness claims or other claims made against Consultant and/or the City by any such employees, agents, contractors or subcontractors, or other person arising from performance of this contract, and Consultant shall indemnify, defend and hold harmless the City against such claims to the extent caused by Consultant's errors, omissions or negligence.

C. NO PAY FOR ADDITIONAL SERVICES WITHOUT WRITING.

Consultant shall not be compensated for any services rendered in connection with its performance of this Contract, which are in addition to those set forth herein or listed in Exhibit A, unless such additional services are authorized in advance and in writing by the City Manager or the City Manager's designee (hereinafter "City Manager" shall include the City Manager's designee). Consultant shall be compensated for any additional services in the amounts and in the manner as agreed to by City and Consultant at the time City's express written authorization signed by the City Manager is given to Consultant for the performance of said services.

C. LIMITS OF INSURANCE NOT LIMITING INDEMNIFICATION. If any action or proceeding is brought against the Indemnities by reason of any of the matters against which Consultant has agreed to indemnify the Indemnities as above provided, Consultant, upon notice from the City, shall

defend the Indemnities at Consultant's expense. The Indemnities need not have first paid any of the matters as to which the Indemnities are entitled in order to be indemnified. The Consultant should assure that the insurance required to be maintained by Consultant under this Contract shall ensure Consultant's obligations under this paragraph, but the limits of such insurance shall not limit the liability of Consultant hereunder. The provisions of Sections 19(B) and 19(C) shall survive the expiration or early termination of this Contract.

20. CONSULTANT TO PROVIDE INSURANCE:

A. CONSULTANT SHALL MAINTAIN INSURANCE.

Consultant shall not commence any work before obtaining, and shall maintain in force at all times during the duration and performance of this Contract the policies of insurance specified in this Section. C. CITY MAY OBTAIN INSURANCE AT CONSULTANT'S EXPENSE.

In addition to any other remedy the City may have, if Consultant fails to maintain the insurance coverage as required in this Section 20, the City may obtain such insurance coverage as is not being maintained, in form and amount substantially the same as is required herein, and the City may deduct the cost of such insurance from any amounts due or which may become due Consultant under this Contract.

D. NO SUSPENSION OF INSURANCE. Each insurance policy required by this Contract shall be endorsed to state that coverage shall not be suspended, voided, canceled, terminated by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City, except in the event of non-payment of premium, in which case no less than ten (10) days' prior written notice by certified mail, return receipt requested, must be given to the City.

E. DEDUCTIBLES. Any deductibles exceeding five thousand dollars (\$5,000) must be declared to, and approved by, the City.

The Consultant shall execute a certificate in compliance with Labor Code Section 1861, on the form provided in the Contract Documents.

If an injury occurs to any employee of the Consultant for which the employee or his dependents, in the event of his death, may be entitled to compensation from the City under the provisions of the Acts, for which compensation is claimed from the City, there will be retained out of the sums due the Consultant under this Contract, an amount sufficient to cover such compensation as fixed by the Acts, until such compensation is paid or it is determined that no compensation is due. If the City is required to pay such compensation, the amount so paid will be deducted and retained from such sums due, or to become due to the Consultant. If any professional liability policy is written on a "claims made" basis, such policy, and any succeeding policy must be specifically endorsed to show that "prior acts" occurring at anytime after the inception date of this Contract will be covered. Upon termination of the Contract with the City, the same professional liability insurance requirements will apply for a three (3) year period following such termination. A "tail" policy may be purchased as an alternative to satisfy this requirement.

EXHIBIT A

Scope of Work

The Firm will provide Disclosure Counsel services to the City of Elk Grove (the "City") in connection with the issuance of bonds for Community Facilities District No. 2002-1 (East Franklin CFD) and Community Facilities District No. 2003-1 (Poppy Ridge CFD)..

As Disclosure Counsel in connection with each issue of Bonds, the Firm would (1) prepare the Preliminary Official Statement, final Official Statement and Continuing Disclosure Agreement for the Bonds, (2) render to the District and the Underwriter as the purchaser of the Bonds an opinion to the effect that (a) the Bonds are exempt from the registration requirements of the Securities Act of 1933, as amended, and the Bond Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended, and (b) based upon the information made available to Disclosure Counsel in the course of its participation in the preparation of the Official Statement and without having undertaken to determine independently or assuming any responsibility for the accuracy, completeness or fairness of the statements contained in the Official Statement, but based on the basis of its participation in conferences with representatives of the District, the Underwriter and others, and its examination of certain documents, nothing has come to its attention which would lead it to believe that the Official Statement, as of its date and as of the date of issuance of the Bonds, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (except that no opinion or belief need be expressed as to any appendices and any other financial and statistical data contained in the Official Statement); and (3) attend meetings with District staff, the Underwriter or other experts retained by District in structuring the sale, execution and delivery of the Bonds.

EXHIBIT B

Compensation and Method of Payment

Total compensation to Consultant shall not exceed \$175,000 without the prior written consent of City.

The fee for each series of bonds for the services described would not exceed \$40,000.00 for each bond.

In addition to the foregoing, firm expects to be reimbursed by District for the actual cost, excluding any indirect cost, such as the Firm's overhead, of any out-of-pocket expenses reasonably incurred by the Firm in the course of the employment, such as reproduction and printing costs, filing fees, express mail, long distance telephone calls, travel, and similar items of expense incurred by the Firm. Said costs will be paid at closing based upon the estimated costs incurred to date of closing and to be incurred after closing.

WARNING AND INSTRUCTIONS

TO: All Users
FROM: Tony Manzanetti – City Attorney
RE: Professional Services Contract (with Warning and Instructions)

An extra section break has been inserted above this paragraph. Do not delete this section break if you plan to add text after the Table of Contents (TOC). Deleting this break will cause Table of Contents/Authorities headers and footers to appear on any pages following the Table of Contents/Authorities.

Additionally, You must run Word's TOC function after the document has been modified to insure the correct numbering in the TOC.

This sample service contract may be used when contracting for various types of services. It does not encompass the purchase of supplies. This sample contract should be used subject to the following caveats:

This is a form document, and blanks must be filled in with complete and appropriate information. At a minimum the following must be provided:

- A. Legal Name of Consultant - Title page, page 1, page 13 and header.
- B. Termination Date of Contract - page 2, para 1.D.
- C. The 'Purpose' of the Contract - page 2, para 1.E and headers. (This should be a very brief statement of the purpose, i.e., "general plan" or "traffic study in the East Franklin Specific Plan Area." If the purpose is limited to a project then the project should be mentioned. The purpose may be even more abbreviated in the header.)
- D. Not to Exceed Dollar Amount - page 4, para 4.A.
- E. Contact person, and address - page 13, para 21, J.
- F. Name and Title of Person Authorized to Sign for Consultant - page 16 signature page, 17 Labor Certificate.
- G. Scope of Work - Exhibit A (This should be very specific, as this is the entire range of services for which the City can enforce obligations or state claim a breach.)
- H. Compensation and Method of Payment - Exhibit B (Again, this should be very specific. This exhibit will define the scope and extend City's monetary obligation under the Contract. Care should be taken to insure that the information in this exhibit does not conflict with the 'not to exceed' amount in paragraph 4.A.)

1. Be sure to fill in all blank spaces. Bracketed/Highlighted provisions require choices to be made or information to be supplied within the brackets, and then the brackets and highlighting removed. Not all bracketed provisions will be applicable to any given contract.

2. Be aware of changes in the law. The contract should be revised to comply with subsequent changes in the law before it is used. If you become aware of changes in the law, please alert the City attorney's office.

3. Be aware of peculiar contract requirements for your project. For example, if a project is being financed with state or federal grant funds, procedures may be required that are not otherwise included. Check federal, state, or local laws concerning the entity or the project before using this form.

4. This sample contract is a generalized form. It is not possible, nor appropriate, to cover all situations or services. For example, endorsement forms may vary depending on the insurer, the contract and the nature of the project. It is therefore necessary to obtain appropriate endorsements for each contract.

5. Keep in mind that the controlling factor in deciding how much commercial general liability insurance to require is the Agency's potential liability in connection with the project. The amount of the contract itself is therefore essentially immaterial. As a rule of thumb, commercial general liability insurance should never be in an amount less than one million dollars, unless the Agency's potential exposure is unusually small. On large projects, or those with significant potential for loss, higher limits may be appropriate. If you have any questions, consult with Risk Management, PARSAC and the City Attorney's office.

6. Effective July 1, 1998 (AB 994), all requests for proposal for architect services over \$10,000 must disclose the District's indemnification requirements.

7. Finally, before the City Attorney's office will approve as to form a contract prepared by someone other than someone out of the City Attorney's office, the City Attorney must receive an electronic version of the completed contract, so an electronic comparison can be made.

THIS DISCUSSION OF WARNING AND INSTRUCTIONS
MUST BE DELETED BEFORE THE CONTRACT IS FINALIZED FOR EXECUTION.
THESE WARNING AND INSTRUCTIONS ARE NOT A PART OF THE FINAL CONTRACT.
