

RESOLUTION NO. 2019-250

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ELK GROVE
APPROVING A MINOR UPDATE TO THE CITY OF ELK GROVE
STORM DRAINAGE MASTER PLAN**

WHEREAS, the City of Elk Grove Storm Drainage Master Plan (SDMP) was developed to: identify and analyze the existing drainage deficiencies throughout the City, provide a range of drainage concepts for the construction of drainage facilities required to serve the City, and establish criteria for selecting and prioritizing projects; and

WHEREAS, the SDMP combines the demands of flood-risk reduction while incorporating urban development and rural residential land uses and balancing these demands for the future sustainability of the water-dependent ecosystem; and

WHEREAS, a list of candidate watershed projects by SDMP region was included in the 2011 SDMP; and

WHEREAS, staff has completed a Minor Update to the SDMP, which includes a summary of projects completed since 2011, provides details regarding remaining projects, including implementation costs and schedules (if available) and provides information regarding new regulatory requirements related to stormwater management and flood control.; and

WHEREAS, the SDMP Environmental Impact Report (EIR) was approved in 2011 pursuant to the California Environmental Quality Act (CEQA), and all completed projects were consistent and complied with, original requirements of the EIR; the remaining projects included in this Minor Update have no change in site conditions and rezoning is not required for construction of the projects, so the remaining projects are consistent with the approved EIR and no new projects are being added as part of this update; no further environmental review is required under CEQA.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Elk Grove hereby approves the Minor Update to the City of Elk Grove Storm Drainage Master Plan presented with the accompanying staff report.

PASSED AND ADOPTED by the City Council of the City of Elk Grove this 13th day of November 2019
