

RESOLUTION NO. 2020-111

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ELK GROVE AUTHORIZING AND DIRECTING THE CITY MANAGER OR DESIGNEE TO WORK WITH SACOG ON ITS REGIONAL FUNDING PROCESS TO PROVIDE A MORE STREAMLINED, PREDICTABLE AND EQUITABLE APPROACH THAT CAN BE USED FOR DEVELOPMENT OF THE FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM

WHEREAS, in June of 2003, the City of Elk Grove became a member agency of the Sacramento Area Council of Governments (SACOG), per Resolution No. 2003-121; and

WHEREAS, SACOG is the designated Metropolitan Planning Organization (MPO) for the six-county Sacramento region and is the transportation planning agency responsible for developing and implementing the long-range transportation plan; and

WHEREAS, the long-range transportation plan linking land use, air quality, and transportation needs is the Metropolitan Transportation Plan/Sustainable Communities Strategy (MTP/SCS); and

WHEREAS, SACOG develops and implements the MTP/SCS by coordinating transportation planning and long-range land use planning efforts among the local jurisdictions, and by programming funding for transportation infrastructure in the region; and

WHEREAS, transportation funds are allocated to SACOG based on population or a similar formula that uses 75% population and 25% mileage; and

WHEREAS, SACOG currently programs federal and state transportation funds for Sacramento, Sutter, Yolo, and Yuba Counties through competitive four-county funding rounds, which occur on average every two years; and

WHEREAS, the regional funding round competition has developed over time, and the application process has become more complex creating additional cost to compete for federal and state funds; and

WHEREAS, the regional funding round competition has created a lack of long-term certainty over the five-year Capital Improvement Program; and

WHEREAS, staff from agencies within Sacramento County have developed a proposal for SACOG that streamlines the application process and incorporates the concept of 75% of the funds being formulaically distributed and leaving 25% for a competitive round.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Elk Grove hereby authorizes and directs the City Manager or designee to work with SACOG on the regional funding process to provide a more streamlined, predictable and equitable approach that can be used for development of the five-year Capital Improvement Program.
