RESOLUTION NO. 2005-291

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ELK GROVE
DECLARING THE NECESSITY AND AUTHORIZING THE COMMENCEMENT OF
EMINENT DOMAIN PROCEEDINGS TO SECURE REAL PROPERTY INTERESTS
NECESSARY TO CONSTRUCT THE GRANT LINE ROAD/STATE ROUTE 99
INTERCHANGE RECONSTRUCTION PROJECT
10519 East Stockton LLC
Portion of APN 134-0510-034

WHEREAS, the improvement of the interchange of Grant Line Road and State Route 99 (“Project”) holds a high priority in the City of Elk Grove Transportation Capital Improvement Program and acquiring the necessary right-of-way and real property interests is an important step in completing the Project; and

WHEREAS, as a part of said Project, it is necessary to acquire certain real property interests identified as a portion of APN 134-0510-034 (“Property”) for the construction, operation and maintenance of right-of-way and related improvements along East Stockton Boulevard and Grant Line Road; and

WHEREAS, the City of Elk Grove has investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and acquisition of the Property for the Project are necessary; and

WHEREAS, the Property, which is the subject of this Resolution of Necessity, consists of the parcels identified and described and depicted in Exhibits A, A-1, A-2 and B, B-1, B-2 which are attached hereto and incorporated herein; and

WHEREAS, the Property is located entirely within the municipal boundaries of the City of Elk Grove; and

WHEREAS, the City of Elk Grove has complied with the requirements of the California Environmental Quality Act, Public Resources Code section 21000, et seq., in regards to acquisition of the Properties based upon the City Council certifying an Environmental Impact Report for the Grant Line Road/State Route 99 Interchange Reconstruction Project on April 7, 2004; and

WHEREAS, the City of Elk Grove has complied with the requirements of Government Code section 7267.2, in regards to acquisition of the Property by making an offer to purchase to the known owner(s) of record; and

WHEREAS, as a result of the hearing held on September 14, 2005, and in accordance with the provisions of Code of Civil Procedure section 1245.235, the City Council of the City of Elk Grove intends to make certain findings and determinations.
NOW, THEREFORE, be it resolved by the City Council of the City of Elk Grove as follows:

1. The recitals contained herein are true and correct; and

2. Upon examination of the alternatives, the City of Elk Grove requires the Property for the Project; and

3. The City of Elk Grove is authorized to acquire the Property pursuant to the provisions of Government Code sections 37350.5, 37353, 40401 and 40414 and the provisions of the Eminent Domain Law comprising Title 7, Part 3 of the Code of Civil Procedure (commencing at section 1230.010); and

4. Acquisition of the Property for Project purposes promotes public safety and the general welfare, is authorized by Government Code sections 37350.5, 37353, 40401 and 40414, and is therefore a public use; and

5. The City of Elk Grove hereby finds, determines and declares:
   
   a. The public interest and necessity require the proposed Project; and

   b. The proposed Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury; and

   c. The Property, consisting of a partial Fee Simple Interest described in Exhibit A and depicted in Exhibit B; a Non-Exclusive, Appurtenant, Ingress and Egress Easement described in Exhibit A-1 and depicted in Exhibit B-1; and a Temporary Construction Easement described in Exhibit A-2 and depicted in Exhibit B-2, is necessary for the purposes of construction, operation and maintenance of the proposed Project; and

   d. The property interests described and depicted in Exhibits A-1 and B-1 are being acquired as an appurtenant, non-exclusive ingress and egress easement under Code of Civil Procedure section 1240.350 for the benefit and use of the Property and the adjacent properties identified as 10471 Grant Line Road, Elk Grove, CA, Assessor Parcel No. 134-0510-035 and 10461 Grant Line Road, Elk Grove, CA, Assessor Parcel No. 134-0510-032, which would otherwise lose access onto East Stockton Boulevard as a result of the Project. Acquisition of this non-exclusive, appurtenant ingress and egress easement for the purpose of restoring access onto East Stockton Boulevard to the above-referenced adjacent properties is reasonably necessary and appropriate, after taking into account any hardship to the Property, and will provide said adjacent property owners with access onto East Stockton Boulevard; and
e. The property interest described and depicted in Exhibits A and B and identified as Parcel 4-15-37-D is currently encumbered by an existing roadway easement and is being acquired for purposes of obtaining a public utilities easement and for purposes of providing an appurtenant, non-exclusive, ingress and egress easement under Code of Civil Procedure section 1240.350 for the benefit and use of the Property and the adjacent properties identified as 10471 Grant Line Road, Elk Grove, CA, Assessor Parcel No. 134-0510-035 and 10461 Grant Line Road, Elk Grove, CA, Assessor Parcel No. 134-0510-032, which would otherwise lose access onto East Stockton Boulevard as a result of the Project. Acquisition of this non-exclusive, appurtenant ingress and egress easement for the purpose of restoring access onto East Stockton Boulevard to the above-referenced adjacent properties is reasonably necessary and appropriate, after taking into account any hardship to the Property, and will provide said adjacent property owners with access onto East Stockton Boulevard.

f. Prior to making the above findings and determinations, the offer required by section 7267.2 of the Government Code was made to the owner(s) of record of the Property interests described and depicted in Exhibits A, A-1, A-2, B, B-1, and B-2; and

g. The Property is be acquired for compatible use under Code of Civil Procedure section 1240.510 in that the City of Elk Grove’s use of the Property will not interfere with or impair the continued public use as it now exits or may reasonably be expected to exist in the future, or, in the alternative, for a more necessary public use under Code of Civil Procedure section 1240.610 in that the City’s use of the Property is a more necessary public use than the use to which the Property is appropriated.

6. The City Attorney is hereby authorized and directed to prepare, commence and prosecute proceedings in eminent domain in the appropriate court to acquire for the City of Elk Grove the Property interests described and depicted in Exhibits A, A-1, A-2, B, B-1, and B-2. The City Attorney is further authorized to take all steps necessary to obtain such orders for immediate possession of the Property interests as may be required for the Project.
