AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The 2015-16 Action Plan is a one-year plan to address the community development and low-income housing needs in the City of Elk Grove. It covers the third year of implementation of the five-year Consolidated Plan. Both the Consolidated Plan and the Action Plan are implemented by City housing staff.

The City anticipates receiving $819,263 in 2015-16 funds from the federal Community Development Block Grant (CDBG) program. In addition, the City plans to reallocate about $130,456 in prior-year funds. The City also plans to meet its community development and housing needs using the City’s Affordable Housing Fund, Neighborhood Stabilization Program, and Community Service Grant program.

City staff encouraged citizen participation throughout the Action Plan process. This included consulting local organizations, holding public meetings, and encouraging public comment during the public review period. Using research and input from the public, City staff formulated the objectives and outcomes that are briefly described below.

2. Summarize the objectives and outcomes identified in the Plan

Objectives

The City’s key objectives for the 2015-16 funding period include the following:

• Provide housing programs that preserve the quality and affordability of ownership housing stock for target-income households, while recognizing the limitations presented by the current housing market.
• Remove barriers to accessibility throughout the City, especially those barriers identified as a priority by the Disability Advisory Committee.
• Encourage the creation of jobs, particularly for target-income persons, by making loans to expanding small businesses.
• Assist community-based organizations with financing that allows them to provide new or expanded services to target-income residents, especially seniors, youth, and the homeless.

Outcomes

The City’s housing outcomes for this planning period will utilize prior-year funding to offer a minor housing repair program, which will make loans to low-income homeowners needing health- and safety-related repairs. The City will also meet housing goals through funding provided by the Neighborhood Stabilization Program and/or the Affordable Housing Fund. The City will continue to offer a Homebuyer Assistance Program funded by a state CalHome grant, and will evaluate the potential to fund new affordable rental units through the Affordable Housing Fund.

The City will also fund public improvements, including a ADA-compliant curb ramp installation and three infill sidewalk construction projects to assist disabled residents. Improvements at the Elk Grove Adult Community Training facility, which serves developmentally disabled adults, will improve the organization's ability to successfully serve its clientele.

The City received applications from nine eligible organizations for public service programs, and plans to fund the following:
• Big Brothers/Big Sisters of Greater Sacramento, which will offer a youth mentoring program.
• A bus pass assistance program that offers free or lower-cost bus passes to Elk Grove organizations serving target-income clients and limited subsidies to low-income e-van riders.
• A pilot program focusing on proper disposal of household hazardous waste, to be offered in the City's senior affordable housing complexes.
• Support Works, a case management and education program run by the Elk Grove Food Bank.
• Meals on Wheels by ACC, which offers daily hot or frozen meals to homebound seniors.
• Sacramento Self-Help Housing, which offers housing counseling to homeless residents and those at risk of homelessness and provides case management for clients at the City's two transitional housing projects.

3. Evaluation of past performance

The City evaluated its past performance as a part of determining which activities to fund in the 2015-16 year.

The City has had a great deal of success creating new affordable housing. Since 2002, the City has invested nearly $64 million in the creation of over 1,500 new rental units affordable to low-income and very low-income households. This Action Plan includes activities that continue to expand affordable housing resources, including homebuyer assistance and consideration of new affordable rental units.

In the last few years, the City has also taken steps to identify and address needs related to homelessness. The City opened its first transitional housing project in 2013, but, in recognition of the level of need of homeless persons with Elk Grove, also set aside funding for a second transitional house in 2013-14. That transitional house is anticipated to open in June 2015.

In the area of accessibility, the City has completed several dozen curb ramps and a couple sidewalk infill projects in recent years. The need for these activities remains high and they are included in this Plan. The City's Disability Advisory Committee continues to weigh in on priority projects and locations.

The City has typically devoted the full 15% allowed to public services, serving thousands of households with a range of services, from meals to transportation to housing counseling. Many households have come to depend on these services, and new households are accessing them. The City plans to continue to devote the maximum allowable funding to public services, and also to supplement it with around $355,100 in General Fund monies, an increase of about $45,000 from the 2014-15 fiscal year.

4. Summary of Citizen Participation Process and consultation process

The City offered several opportunities for participation and comment throughout the Action Plan process:
• A public meeting to solicit feedback on needs was held on December 17, 2014. The meeting was noticed in the Elk Grove Citizen (a newspaper of general circulation), and staff also sent emails to interested persons and organizations. The meeting was attended by about a dozen people.
• The City offered an opportunity for comment at its February 11, 2015 City Council meeting, when priority needs and 2015-16 funding allocations were discussed. The City also offered an opportunity for comment at the May 13, 2015 City Council meeting, when the Action Plan was adopted.
• Staff attended regularly scheduled meetings of the Disability Advisory Committee and Homeless Solutions Committee to solicit feedback on needs and potential projects. All meetings were open to members of the public.
• The City held an interdepartmental meeting to discuss potential projects.

In addition to the participation opportunities held in coordination with the Action Plan, the Consolidated Plan process offered more extensive outreach efforts, including interviewing Food Bank clients and attendees at free meals, and a survey of nonprofits. Based on conversations with nonprofit representatives, the needs expressed at that time remain relevant.

This Action Plan will be made available for public review during a public comment period from April 13 to May 13, 2015. A public notice announcing its availability was published in the Elk Grove Citizen on January 28 and April 29, 2015. The first public hearing on the Action Plan was held in front of the Elk Grove City Council on February 11 and a second public hearing was held on May 13, 2015.

5. Summary of public comments

The City received a number of public comments at the City Council meeting on February 11, 2015. Most of the comments were in support of various organizations, only some of which were eligible for CDBG funding.

• Fourteen people spoke in support of the Hmong International Cultural Institute's Txuj Ci School, and noted the need to celebrate the Hmong culture.
• Five people spoke in favor of funding the Elk Grove Wrestling Academy, noting the increased popularity of wrestling and need for structure and mentoring for youth.
• Three people spoke in support of Chicks in Crisis, which provides services to pregnant and parenting teens and foster youth. Speakers noted the need for a safe place for homeless girls and for foster youth services.
• Two people spoke in support of the Elk Grove Food Bank, thanking the City ofr their support and noting the need for a new Food Bank facility in light of the fact that they are being asked to vacate their current facility.
• Two people spoke in support of Sacramento Self Help Housing's services for the homeless and those at risk of homelessness. They also noted that 50 people have used the EG WINS temporary winter shelter so far this year.
• Two people spoke in support of the Sacramento County Office of Education LINKS Group Mentoring Program, which provides support to students at a continuation high school serving the Elk Grove Unified School District.
• One person spoke in support of the Senior Center, noting a need for restroom improvements, computer upgrades, and food/lunch supplements.
• One person spoke in support of Elk Grove Adult Community Training, highlighting their need for improvements at their facilities that serve developmentally disabled adults.
• One person spoke in support of the American Renaissance Institute of the Arts (ARIA), noting a need for theater seating and highlighting the organization's commitment to community service.
• One person spoke in support of Musical Mayhem Productions, sharing information on current programs and community benefit.
• One person spoke in support of Teen Center USA, which runs the Elk Grove Teen Center.
• One person spoke in support of Kitty Karma Refuge, noting the need to trap and neuter feral cats to avoid more serious problems in future years.

Video of the meeting is available on the City's website and includes full comments from each speaker.
At the May 13, 2015 public hearing in front of the City Council, two individuals representing nonprofits commented:
  • One person spoke in support of the facility improvements at the Elk Grove Adult Community Training facility, which serves developmentally disabled adults.
  • One person spoke in support of Meals on Wheels by ACC.
Video of the meeting is available on the City's website and includes full comments from each speaker.

6. Summary of comments or views not accepted and the reasons for not accepting them

To date, the City has not received any public comments that were not accepted. The City attempted to incorporate feedback received throughout the Action Plan outreach efforts into the Plan in some fashion.

Comments received during the public comment period from April 13 to May 13, 2015 were included in the Plan, including any reasoning for not accepting certain comments, if applicable.

7. Summary

As a part of the Consolidated Plan effort, the City selected two key priorities:
  • Build healthy communities; and
  • Expand economic opportunities.

Those goals align closely with two of the City Council’s four goals, which include "grow and support safe, livable, and attractive neighborhoods" and "create a vibrant, diversified economy."

Within those priorities, the City identified seven main goals:
  • Foster affordable housing;
  • Expand homeless housing and services;
  • Create local jobs;
  • Provide social services;
  • Improve accessibility;
  • Construct or upgrade public facilities; and
  • Maintain community standards.

To address those goals in 2015-16, the City plans to explore funding the construction of new affordable housing, provide homebuyer assistance loans to first-time homebuyers, provide forgivable loans to homeowners needing health and safety repairs, offer businesses loans or other assistance to create quality low-income jobs, support nonprofits offering a wide range of social services, and assist with several accessibility projects.
PR-05 Lead & Responsible Agencies – 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

Describe the agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

In preparing the Consolidated Plan, the City consulted with a variety of agencies, including local and regional nonprofits, Legal Services of Northern California, the Sacramento Housing Alliance, Sacramento Steps Forward, and many others. The City also attended several meetings of specialized City committees and spoke with Food Bank and weekend meal program clients.

The goal of the consultation process was to gather data to help determine the priority needs of Elk Grove citizens and opportunities for coordination to improve availability and accessibility to services.

The 2015-16 Action Plan consultations built off of the robust consultation done as a part of the Consolidated Plan preparation last year, and was focused on working with Elk Grove nonprofits and committees to evaluate whether the needs identified remained relevant.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The City's public housing agency is the Sacramento Housing and Redevelopment Agency (SHRA), which noted that it consulted with several agencies in an attempt to determine the level of coordination needed.

At the local level, the Elk Grove Food Bank provides case management services, including referrals to private and governmental health, mental health, and service agencies. The Food Bank holds several health-related events each year, and also provides referrals to free or low-cost ($5/session) mental health counseling offered by Hope for Healthy Families. The Food Bank serves many clients of affordable housing, and provides on-site services at two senior housing complexes.

Several other affordable housing complexes have on-site services provision through a nonprofit partnership, but the hours maintained by staff are often limited.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City hopes to become more involved in the Continuum of Care, which is currently administered by Sacramento Steps Forward, over the next few years.

The City's efforts to address the needs of homeless persons have included the formation of the Homeless Solutions Committee, a group of social service providers and faith-based organizations that meets roughly monthly to discuss homeless issues and meaningful ways to address them. The City's first transitional housing opened in April 2013, and a second transitional house focused on families is anticipated to open in June 2015. The City funds Sacramento Self-Help Housing, which provides housing counseling to homeless persons or those at risk of homelessness. The City also continues to work with People Assisting the Homeless (PATH), which provides mentoring and other services to the homeless, and with EG WINS, a winter sanctuary program for homeless offered in Elk Grove during the coldest winter months. EG WINS served more than 50 people in the 2014-15 season.
Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS.

Sacramento Steps Forward, the lead agency for the Sacramento County Continuum of Care, receives funding through SHRA. Elk Grove does not have sufficient population to receive Emergency Shelter Grant (ESG) funds directly, and typically SHRA has made decisions related to ESG funding. Given the increasing number of homeless in Elk Grove and new awareness of the problem, the City looks forward to being more involved in the Continuum of Care and ESG funding decisions in the future.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction’s consultations with housing, social service agencies and other entities.

<p>|   | Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination? | Staff attended several meetings of the Homeless Solutions Committee. Committee members noted the high level of need of chronically homeless and homeless families. They noted that many homeless have mental health issues, and finding housing in Elk Grove is particularly difficult due to the relatively high rental rates. Future homeless needs include employment training, supportive services (such as mentoring), and permanent housing for those exiting transitional housing. Staff will continue to work with the Homeless Solutions Committee in identifying projects for potential funding with CDBG. |</p>

**AP-12 Participation – 91.105, 91.200(c)**

1. **Summary of citizen participation process/Efforts made to broaden citizen participation**

   *Summarize citizen participation process and how it impacted goal-setting.*

The City offered several opportunities for participation and comment throughout the Action Plan process, as indicated below. In addition to these opportunities, several committees (including the Disability Advisory Committee and the Homeless Solutions Committee) provided feedback on priorities at their regularly scheduled and publicly noticed meetings.

The comments received through the citizen participation process were incorporated into the analysis on projects to fund in the 2015-16 year.

Introduction

The City anticipates continuing to receive CDBG funding throughout the Consolidated Plan period. In addition, the City expects to generate funding for affordable housing through impact fees on new residential and nonresidential development, as well as through grant applications to the California Department of Housing and Community Development.

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied.

The CDBG program does not have a matching requirement. However, in evaluating the proposals for CDBG funding each year, the City uses match funds as a factor in determining recommended allocations. The City does add local funds to further support many of the organizations receiving CDBG funding.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan.

As of the writing of this Action Plan, there was not anticipated to be any publicly-owned land or property within the City that would be used to address identified needs. The City may use some CDBG funding to acquire such land over the course of the planning period.

Discussion

The City attempts to maximize the use of all of its available funding sources by encouraging projects that access private financing (grants, loans, and donations) or other federal or state funding resources, including tax credits. The City actively pursues available grants for housing and community development programs.

</tr>
</tbody>
</table>

Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.215(b).

The City estimates that no new affordable rental housing units will be constructed in 2015-16. Funding for such units may be available, but due to requirements to obtain multiple funding sources to construct projects, it is unlikely that construction on any new units would be completed in this timeframe.

The City currently has 1,588 affordable housing units that were supported by City funding sources.
Introduction

The activities to be undertaken during 2015-16 are summarized below. All activities identified are expected to be completed no later than June 30, 2016.

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs.

In making project recommendations, consideration was given to a variety of thresholds that projects must meet to comply with CDBG objectives, including meeting one of the national objectives and addressing one of the community priorities set out in the Consolidated Plan. Staff also took into account activity need and justification, cost reasonableness and effectiveness, activity management and implementation, experience with similar activities, past performance, leveraged funds, and completeness of the application. Project recommendations are for those projects determined most likely to be successful and maintain compliance with CDBG regulations.

While there are several constraints to meeting the needs of low-income residents, the primary obstacle is that there is a lack of funding to fully address all needs. Economic challenges facing the nation have forced many nonprofits to cut services at a time when governmental entities and others are least able to provide them. In response to the level of need, the City has maintained its commitment to providing local funding to nonprofits; for 2015-16, the City’s Community Service Grant program funding is expected to grow to $355,100 per year. The City also supports nonprofits’ efforts to raise private funds, in part through providing direct funding and in-kind services to special events, including fundraisers.

A second obstacle to meeting underserved needs is that the location of many available services is in the City of Sacramento. Elk Grove works closely with the regional transit agencies to improve access, and there are several daily public transportation linkages between Elk Grove and downtown Sacramento. The City has also encouraged nonprofit agencies to operate satellite offices within Elk Grove.
Another obstacle is the number of nonprofits that need assistance with basic management and fiscal policies. Many new nonprofits have formed in Elk Grove and throughout the region, and they have small but passionate staffs and volunteers devoted to a variety of issues. Unfortunately, most new nonprofits do not have the capacity to meet the financial and reporting requirements of CDBG and other grant programs, and may need basic assistance securing tax-exempt status, setting up bookkeeping systems, and applying for grants.

**AP-50 Geographic Distribution – 91.220(f)**

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed.

Elk Grove used a need-based strategy, as opposed to a place-based strategy, to select projects. The majority of the activities the City plans to conduct will be offered to residents Citywide. Projects with specific locations, such as curb ramp improvements, will have locations chosen in coordination with the Disability Advisory Committee or other stakeholder groups.

**Rationale for the priorities for allocating investments geographically**

The City did not allocate investments geographically. In consultation with City staff, service providers, and community groups, no particular areas were identified as needing a high level of investment. Additionally, based on the most recent data available, the City does not have any areas where more than 51% of the residents are low-income, a common test for geographic targeting.

**Discussion**

No geographic priorities are proposed.
AP-55 Affordable Housing – 91.220(g)

Introduction

Although the Action Plan focuses on affordable housing, the City's only HUD funding source is CDBG, which limits the amount of funding that can be spent on affordable housing by prohibiting new construction of housing. (Other HUD programs, such as HOME, are specifically targeted to affordable housing.) The City's strategies related to CDBG-funded affordable housing efforts focus on maintaining affordability for homeowners or creating a limited number of new rental opportunities. Other funding sources are provided to support affordable housing as available.

Discussion

In 2015-16, the City will offer several programs to foster and maintain affordable housing:

- The Minor Home Repair Program will offer forgivable loans to homeowners making health and safety repairs to their homes. This program will be funded using prior-year CDBG funds.
- The City’s CalHome grants will offer first-time homebuyer assistance in the form of downpayment loans.
- The City may consider funding a new affordable housing project, supported by a loan from the City's Affordable Housing Fund.
- The City will maintain its investment in affordable rental housing, in which it has loaned $64 million and created 1,588 affordable housing units in roughly the last decade.
AP-60 Public Housing – 91.220(h)

Introduction

SHRA is the public housing agency serving the City of Elk Grove. SHRA is independent of the City of Elk Grove, and the City retains no control over their funding or implementation of programs.

Actions planned during the next year to address the needs to public housing

Please refer to the SHRA Public Housing Authority Annual Plan for information on the ways that SHRA plans to address public housing needs.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

SHRA encourages public housing residents to participate in policy, procedure, and program implementation and development through its Resident Advisory Board. In addition, the Housing Authority recognizes Resident Committees throughout the Sacramento region, which are resident-elected bodies representing residents in their respective complexes. SHRA also distributes a quarterly newsletter to all residents, which contains relevant news, information on training and employment opportunities, and other community resources available to public housing residents. Public housing residents also participate in the development of the SHRA's five-year and annual plans. The Resident Services Division distributes a survey to prioritize resident needs and schedule short- and long-term improvements.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

SHRA is not designated as "troubled."

Discussion

A wealth of information on SHRA and their programs, housing resources, budgets, and financial planning and reporting is available on their website at www.shra.org.
AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City’s strategy related to the needs of the homeless, those at risk of homelessness, and other special needs populations is focused primarily on funding supportive services in Elk Grove. A secondary strategy is the acquisition of new housing for use as transitional housing or permanent housing for the formerly homeless.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs.

For several years, the City has provided housing counseling to homeless persons and those at risk of becoming homelessness through a partnership with Sacramento Self Help Housing. Sacramento Self Help Housing provides housing counseling, including access to a database of low-cost housing resources in the region, and limited motel vouchers to households in immediate need of housing. Sacramento Self Help Housing provides services from the Elk Grove Food Bank, allowing for easy accessibility and promoting connections with the Food Bank’s Support Works program. Sacramento Self Help Housing is also available to do ride-alongs with the City’s Police Department, with the goal of locating and offering assistance to homeless who have not yet sought help directly.

Addressing the emergency shelter and transitional housing needs of homeless persons.

In 2012-13, the City completed the acquisition and rehabilitation of the City’s first transitional housing facility. The transitional house opened in April 2013, and can serve five persons or households at a time. In 2014-15, the City acquired a property for a second transitional housing project, to be focused specifically on families. This project is expected to open in June 2015, and will serve 3-4 households at a time.

City staff also works with the Homeless Solutions Committee, an informal committee of social service nonprofits and faith-based organizations. In 2013-14, some members of the Homeless Solutions Committee formed EG WINS, in order to offer a “winter sanctuary” that would provide overnight shelter to homeless persons at various churches during the coldest months. The shelter continued operations in 2014-15 winter months, serving more than 50 people.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

The opening of the City's first transitional house in April 2013 helped clients transition from homelessness to permanent housing. The facility has generally been successful at helping residents to obtain more secure housing. A second transitional housing facility is anticipated to open in June 2015. In 2015-16, the City is funding housing counseling through Sacramento Self Help Housing and case management for residents of the two transitional housing projects.
Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

In 2015-16, the City will fund two activities aimed at preventing homelessness:
- The Elk Grove Food Bank will offer case management, benefits navigation assistance, life skills training, and other opportunities to low-income households.
- Sacramento Self-Help Housing will provide housing counseling and fair housing services, with the goal of helping people who are currently homeless or in imminent danger of becoming homeless to secure new housing.

Discussion

In addition to services for homeless persons or those at risk of homelessness, the City’s special needs populations include seniors, disabled persons, foster children, and victims of domestic violence, among others. The City will fund several programs and services assisting these special needs populations in 2015-16. These include the following:
- Senior services, including home-delivered meals and meals served at the Senior Center;
- Accessibility improvements, which will primarily benefit mobility-impaired individuals; and
- Social services, including the Food Bank programs.
AP-75 Barriers to affordable housing – 91.220(j)

Introduction

The City identified several barriers to affordable housing in the process of drafting its 2013-2021 Housing Element update. Notable barriers to developing affordable housing include:

- Land availability, particularly the availability of land zoned at densities appropriate for multi-family housing.
- Environmental factors, such as floodplain and native oak trees.
- Cost of land. Land costs fell in recent years, but a recent survey showed the price of land varied from $49,000 per acre up to $400,000 per acre. A financially feasible multi-family project generally requires several acres, and parcels with appropriate zoning may be more expensive.
- Construction costs. Recent affordable housing projects have had a per-unit costs of $172,000 and $198,000, although the majority of that amount is financed through private funding and federal or state tax credits.
- Availability of financing.
- Land use controls. Zoning designations affect the availability of land suitable for multi-family development.
- Residential development standards, which control the type, location, and density of residential development in Elk Grove. Parking requirements, building setbacks, height limits, and open space requirements are essential to ensuring that Elk Grove remains a safe and enjoyable place to live, but may constrain the density at which land is developed.
- Design guidelines, which control the appearance of new development. The requirements of design guidelines may slightly increase the cost of building new housing.
- Site improvement, development impact, and processing fees. These fees can add significant cost to developing new housing. Developers must often pay for new roadway, sewer, water, and park facilities, along with miscellaneous other fees. There are also costs associated with getting projects approved by the City and other agencies.
- Permit and approval process. In addition to the cost of fees on new projects, the amount of time required to process them varies by project, and the developer generally must pay holding costs, such as property taxes, during this time.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City is undertaking a number of actions to reduce potential barriers and constraints to affordable housing, as well as promote housing for special needs populations. These include funds in support of affordable housing development, fee reductions and waivers, regulatory incentives, density bonuses, and rezoning of sites to higher densities. These are described in more detail in the City’s 2013-2021 Housing Element.

Discussion

More information is available in the City’s 2013-2021 Housing Element.
AP-85 Other Actions – 91.220(k)

Actions planned to address obstacles to meeting underserved needs

While there are several constraints to meeting the needs of target-income residents, the primary obstacle is that there is a lack of funding to fully address all needs. Economic challenges in recent years have forced many nonprofits to cut services at a time when governmental entities and others are least able to provide them. In response to the level of need, the City has maintained its commitment to providing local funding to nonprofits; in 2015-16, the City’s Community Service Grant program funding will increase to $355,100. The City also supports nonprofits’ efforts to raise private funds, in part through providing direct funding and in-kind services to special events, including fundraisers.

Another obstacle to meeting underserved needs is that the location of many available services is in the City of Sacramento. Elk Grove works closely with the regional transit agencies to improve access, and there are several daily public transportation linkages between Elk Grove and downtown Sacramento. The City has also encouraged nonprofit agencies to operate satellite offices within Elk Grove.

Another obstacle is the number of nonprofits that need assistance with basic management and fiscal policies. Many new nonprofits have formed in Elk Grove and throughout the region, and they have small but passionate staffs and volunteers devoted to a variety of issues. Unfortunately, most new nonprofits do not have the capacity to meet the financial and reporting requirements of CDBG and other grant programs, and may need basic assistance securing tax-exempt status, setting up bookkeeping systems, and applying for grants. City staff is willing to meet with potential applicants throughout the year to provide assistance with preparing for an application or to administer a grant in accordance with federal requirements.

Actions planned to foster and maintain affordable housing

In 2015-16, the City will offer several programs to foster and maintain affordable housing:

- The Minor Home Repair Program will offer forgivable loans to homeowners making health and safety repairs to their homes. This program will be funded using prior-year CDBG funds.
- The City’s CalHome grants will offer first-time homebuyer assistance in the form of downpayment loans.
- The City may consider funding a new affordable housing project, supported by a loan from the City’s Affordable Housing Fund.
- The City will maintain its investment in affordable rental housing, in which it has loaned $64 million and created 1,588 affordable housing units in roughly the last decade.

Actions planned to reduce lead-based paint hazards

While most housing units were built after 1978 in Elk Grove, the City will work together with the Sacramento County Health and Human Services Department to monitor incidences of elevated blood levels.

The City will also provide lead-abatement assistance for residential units through its residential rehabilitation and emergency repair programs. The programs will comply with the Residential Lead Based Paint Hazard Reduction Act of 1992 (Title X) and subsequent changes in September 1999. The
procedures regarding lead-based paint in both rehabilitation programs will include notification, identification, and treatment (if necessary).

**Actions planned to reduce the number of poverty-level families**

The City’s anti-poverty strategy is based on providing a range of employment opportunities and supportive services aimed at enabling those in poverty to move into the workforce or obtain benefits to which they are entitled (e.g., Social Security, disability). During the 2015-16 program year, these activities will include the Support Works and housing counseling. The Support Works program offered by the Elk Grove Food Bank will provide case management, employment training, life skills coaching, and some educational opportunities. A component of the housing counseling services provided by Sacramento Self-Help Housing is benefits counseling and social service referrals. The City will also continue to support activities that preserve and expand the supply of housing that is affordable to low-income households.

**Actions planned to develop institutional structure**

The City’s Development Services Department is responsible for the management, implementation, and monitoring of the Consolidated Plan documents, including the Action Plan. The Planning Division within the department is specifically charged with these tasks.

The City also has a designated staff position (Housing Program Manager) to administer the programs and activities funded with CDBG funds. Staff works with the individual City divisions, such as Public Works, Economic Development, and Code Enforcement, and the City’s advisory committees to develop procedures and coordination for administering programs that will be carried out by these divisions.

**Actions planned to enhance coordination between public and private housing and social service agencies**

The City will continue its work with neighboring jurisdictions, such as the County and the City of Sacramento and the Sacramento Housing and Redevelopment Agency, to address the regional issues that affect the needs of low-income persons as well as special needs populations. The City will also continue to work with many of the local nonprofits that provide a range of services to low-income Elk Grove residents. In addition, the City plans to work with Rancho Cordova and Citrus Heights, the two other small entitlement jurisdictions in Sacramento County, to research issues of interest to all jurisdictions and to coordinate on shared subrecipient monitoring.
Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed 11,318
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan. 0
3. The amount of surplus funds from urban renewal settlements 0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan 0
5. The amount of income from float-funded activities 0

Total Program Income: 11,318

Other CDBG Requirements

1. The amount of urgent need activities 0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan. 100.00%

Discussion

The City calculates its low-income benefit on a one-year timeframe.
Non-State Grantee Certifications

Many elements of this document may be completed electronically, however a signature must be manually applied and the document must be submitted in paper form to the Field Office.

☐ This certification does not apply.
☒ This certification is applicable.

NON-STATE GOVERNMENT CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Drug Free Workplace -- It will or will continue to provide a drug-free workplace by:
1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee’s workplace and specifying the actions that will be taken against employees for violation of such prohibition;
2. Establishing an ongoing drug-free awareness program to inform employees about –
   a. The dangers of drug abuse in the workplace;
   b. The grantee’s policy of maintaining a drug-free workplace;
   c. Any available drug counseling, rehabilitation, and employee assistance programs; and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
3. Making it a requirement that each employee be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will –
   a. Abide by the terms of the statement; and
   b. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted –
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
   b. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.
Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:
8. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
9. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
10. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 133.

Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

11. Maximum Feasible Priority - With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);

12. Overall Benefit - The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2015, 2____, 2____, (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;

13. Special Assessments - It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

14. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

15. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;
Compliance With Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of part 35, subparts A, B, J, K and R, of title 24;

Compliance with Laws -- It will comply with applicable laws.

Submit the following certification only when one or more of the activities in the action plan are designed to meet other community development needs having a particular urgency as specified in 24 CFR 570.208(c):

The grantee hereby certifies that the Annual Plan includes one or more specifically identified CDBG-assisted activities, which are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.
Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If the participating jurisdiction intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the participating jurisdiction’s consolidated plan for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing.

Eligible Activities and Costs -- it is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214.

Appropriate Financial Assistance -- before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

HOPWA Certifications

The HOPWA grantee certifies that:

Activities -- Activities funded under the program will meet urgent needs that are not being met by available public and private sources.

Building -- Any building or structure assisted under that program shall be operated for the purpose specified in the plan:

1. For at least 10 years in the case of assistance involving new construction, substantial rehabilitation, or acquisition of a facility,

2. For at least 3 years in the case of assistance involving non-substantial rehabilitation or repair of a building or structure.

This certification is applicable.

ESG Certifications

I certify that the local government will ensure the provision of the matching supplemental funds required by the regulation at 24 CFR 576.51. I have attached to this certification a description of the sources and amounts of such supplemental funds.

I further certify that the local government will comply with:

1. The requirements of 24 CFR 576.53 concerning the continued use of buildings for which Emergency Shelter Grants are used for rehabilitation or conversion of buildings for use as emergency shelters for the homeless; or when funds are used solely for operating costs or essential services.

3. The requirements of 24 CFR 576.56, concerning assurances on services and other assistance to the homeless.

5. The requirements of 24 CFR 576.59(b) concerning the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.

6. The requirement of 24 CFR 576.59 concerning minimizing the displacement of persons as a result of a project assisted with these funds.

8. The requirements of 24 CFR 576.56(a) and 576.65(b) that grantees develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted with ESG funds and that the address or location of any family violence shelter project will not be made public, except with written authorization of the person or persons responsible for the operation of such shelter.

9. The requirement that recipients involve themselves, to the maximum extent practicable and where appropriate, homeless individuals and families in policymaking, renovating, maintaining, and operating facilities assisted under the ESG program, and in providing services for occupants of these facilities as provided by 24 CFR 76.56.

10. The requirements of 24 CFR 576.57(e) dealing with the provisions of, and regulations and procedures applicable with respect to the environmental review responsibilities under the National Environmental Policy Act of 1969 and related
authorities as specified in 24 CFR Part 58.

11. The requirements of 24 CFR 576.21(a)(4) providing that the funding of homeless prevention activities for families that have received eviction notices or notices of termination of utility services will meet the requirements that: (A) the inability of the family to make the required payments must be the result of a sudden reduction in income; (B) the assistance must be necessary to avoid eviction of the family or termination of the services to the family; (C) there must be a reasonable prospect that the family will be able to resume payments within a reasonable period of time; and (D) the assistance must not supplant funding for preexisting homeless prevention activities from any other source.

12. The new requirement of the McKinney-Vento Act (42 USC 11362) to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. I further understand that state and local governments are primarily responsible for the care of these individuals, and that ESG funds are not to be used to assist such persons in place of state and local resources.

13. HUD’s standards for participation in a local Homeless Management Information System (HMIS) and the collection and reporting of client-level information.

I further certify that the submission of a completed and approved Consolidated Plan with its certifications, which act as the application for an Emergency Shelter Grant, is authorized under state and/or local law, and that the local government possesses legal authority to carry out grant activities in accordance with the applicable laws and regulations of the U. S. Department of Housing and Urban Development.

APPENDIX TO CERTIFICATIONS

Instructions Concerning Lobbying and Drug-Free Workplace Requirements

Lobbying Certification
This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Drug-Free Workplace Certification
1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplace at the time of application, or upon award, if there is any application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
6. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant: Place of Performance (Street address, city, county, state, zip code) Check if there are workplaces on file that are not identified here. The certification with regard to the drug-free workplace is required by 24 CFR part 21.

7. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’ attention is called, in particular, to the following definitions from these rules: "Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15); "Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes; "Criminal drug statute" means a Federal or non-Federal...
criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance; "Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including:
   All "direct charge" employees;
   all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and
a. temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Note that by signing these certifications, certain documents must completed, in use, and on file for verification. These documents include:
1. Analysis of Impediments to Fair Housing
2. Citizen Participation Plan
3. Anti-displacement and Relocation Plan

I, JASON LINDGREN, City Clerk of the City of Elk Grove, do hereby certify as follows:

I am the duly appointed, qualified City Clerk of the City of Elk Grove, a California municipal corporation; as such City Clerk, I am the custodian of the official records of the City Council of said City. The attached resolution, is a full, true, and correct copy of Resolution No.: 2015-098, on file in the Office of the City Clerk.

IN WITNESS WHEREOF, I have hereto affixed my hand and the seal of the City of Elk Grove on May 14, 2015.

JASON LINDGREN, CITY CLERK
CITY OF ELK GROVE
RESOLUTION NO. 2015-098

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ELK GROVE
ADOPTING THE 2015-2016 ACTION PLAN AND AUTHORIZING THE CITY
MANAGER TO EXECUTE AND FILE ALL DOCUMENTS REQUIRED TO RECEIVE
US DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD)
COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) FUNDING

WHEREAS, the Community Development Block Grant Program (CDBG),
authorized pursuant to Title 1 of the Housing and Community Development Act of 1974,
as amended (Act), requires that jurisdictions provide for the issuance of grants in order
to attain the objective of providing decent housing and a suitable living environment and
expanding economic opportunities, principally for persons of low- and moderate-income;
and

WHEREAS, there has been presented to, and reviewed by this City Council, the
2015-2016 Action Plan (Action Plan), which describes the specific programs to be
funded for the 2015-16 program year; and

WHEREAS, the City Council held a public hearing on February 11, 2015 to
provide an opportunity for the public to comment on Elk Grove's need in relation to low-
income and special needs populations and on proposed activities for funding in Fiscal
Year 2015-16; and

WHEREAS, the City of Elk Grove has held, with proper notification and after a
mandatory 30-day public comment period, a public hearing on May 13, 2015 to receive
comments and proposals from the public regarding the Action Plan and use of CDBG
funds; and

WHEREAS, there has been presented to, and reviewed by this City Council,
certifications to the U.S. Department of Housing and Urban Development (HUD),
including those regarding affirmatively furthering fair housing, anti-displacement and
relocation plan, drug free workplace, anti-lobbying, authority of jurisdiction, consistency
with strategic plan, citizen participation, community development plan, following
Consolidated Plan, use of funds, prohibition of excessive force, compliance with anti-
discrimination laws, and lead-based paint (Certifications); and

WHEREAS, there has been presented to, and reviewed by this City Council an
application on Standard Form 424 (Application) to HUD for a CDBG in the amount of
$819,263, for the period of July 1, 2015 through June 30, 2016.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Elk
Grove hereby finds the 2015-2016 Action Plan exempt from CEQA pursuant to the
following finding:

Finding: The 2015-2016 Action Plan is exempt from the California Environmental
Quality Act
Evidence: The adoption of the Action Plan is a project under CEQA; however, it qualifies for several exemptions as follows:

1) The Capital Projects are exempt under CEQA Guidelines Section 15378 specifically exempts “the creation of government funding mechanisms or other fiscal activities which do not involve any commitment to any specific project.” The adoption of the Action Plan allocates funding for these projects but does not fully commit these funds. Commitment of the funds does not occur until award of a construction contract. Therefore, no further review is required at this time.

2) The Public Service Programs funded under the Action Plan are exempt from CEQA under CEQA Guidelines Section 15061(b)(3), which exempts activities under the general rule that CEQA only applies to projects that have the potential for causing a significant effect on the environment. The proposed programs provide services to the public within existing facilities. No new development or construction which would alter the built form of the community is proposed. Therefore, the Action Plan qualifies for this exemption and no further review is required for these programs.

3) The Elk Grove Adult Community Training facility improvements qualify for an exemption of CEQA Guidelines Section 15301, which applies to maintenance, operation, or minor alteration of existing public or private structures. The proposed improvements involve the construction of a commercial kitchen within an existing building. No new building square footage is being created. Therefore, this project qualifies for this exemption and no further review is required.

AND, BE IT RESOLVED that the City Council of the City of Elk Grove hereby:

1) Approves the adoption of the City of Elk Grove 2015-2016 Action Plan certifying that that the City of Elk Grove has and will continue to conduct its activities in accordance with applicable statutes and regulations governing the CDBG Program; and

2) Authorizes the City Manager to execute and file the Consolidated Plan and Action Plan, along with the required Certifications and the SF-424, that are required to receive CDBG funding for and on behalf of the City of Elk Grove, and to make minor changes to those documents where necessary.

PASSED AND ADOPTED by the City Council of the City of Elk Grove this 13th day of May 2015.

GARY DAVIS, MAYOR OF the
CITY OF ELK GROVE
