AGENDA ITEM NO. 10.2

CITY OF ELK GROVE
CITY COUNCIL STAFF REPORT

AGENDA TITLE: Consider a resolution establishing Guidelines and Procedures for an Event Advertising Signage Pilot Program, and a resolution establishing fees for the Event Advertising Signage Pilot Program

MEETING DATE: July 25, 2018

PREPARED BY: Kristyn Nelson, Public Affairs Manager

DEPARTMENT HEAD: Kara Reddig, Deputy City Manager

RECOMMENDED ACTION:

Staff recommends that the City Council take the following actions:

1. Receive information on the proposed implementation of the Event Advertising Signage Pilot Program ("Sign Program"); and
2. Approve or amend the list of service seals proposed for inclusion on the event advertising signs; and
3. Adopt a resolution that establishes guidelines and procedures for managing the Sign Program; and
4. Adopt a resolution that establishes a fee of $300 per sign panel applicant for a set of two identical advertising sign panels.

BACKGROUND:

At the April 27, 2016, City Council Meeting, Council gave direction to Public Works staff to develop the Sign Program at high traffic locations in the City to promote community events. The Council’s direction specified that the pilot program should be of a static design that uses interchangeable sign panels. At its meeting on March 8, 2017, Council directed Public Affairs staff to manage the advertising signage program once the signs were constructed.
Construction of two signs – one located at Laguna Boulevard near West Stockton Boulevard, and one at the intersection of Big Horn Boulevard and Elk Grove Boulevard – are estimated to be completed in early fall of 2018.

With Council’s approval of the proposed program model, Public Affairs staff is prepared to promote the opportunity to purchase advertising space to prospective groups in anticipation of the completion of these signs.

**Service Seals**

In addition to the interchangeable signage space, each sign will bear eighteen fixed circular seal spaces. Staff proposes to recognize those Elk Grove non-profit service organizations registered with the California Secretary of State that raise and distribute funds to other not-for-profit organizations or programs serving the Elk Grove community, the region, state, country or global causes to appear on these fixed seal spaces. No specific time limitation would exist for the appearance of each seal; however, the City Manager would have the discretion to remove a seal at any time without any liability to the City. Staff proposes to make this opportunity available to eligible service organizations free of charge. After a thorough review of local service organizations, staff proposes that fixed seals be included for the following organizations:

1. American Legion
2. Elk Grove Masonic Lodge
3. Elk Grove Optimist Club
4. Elks Lodge of Elk Grove
5. Kiwanis Club International
6. Lions Club International
7. Marine Corps League
8. Native Sons of the Golden West
9. Rotary Club
10. Soroptimist International of Elk Grove Club
11. Veterans of Foreign Wars

Additional seals can be added as directed by Council. Artwork must be provided by the service organization. See Attachment 4 for a view of the proposed seals.
Event Advertising Panels

Each sign includes five interchangeable advertising spaces intended to promote community events. Advertising will be identical for both City signs and advertising space will be sold in sets of two (one for each sign location).

Staff proposes the following conditions for advertising space on City signs:

1. The Sign Copy shall be suitable for viewing by all ages;
2. The Sign Copy shall not contain nudity;
3. The Sign Copy shall not contain sexual images;
4. The Sign Copy shall not contain depictions of violence;
5. The Sign Copy shall not include religious content;
6. The Sign Copy shall not contain political or campaign content;
7. The Sign Copy shall not depict or reference tobacco or illegal drugs (including marijuana/cannabis);
8. The Sign Copy shall not include personal messages (e.g., birthdays, engagements, weddings);
9. The Sign Copy shall not contain any obscene, indecent or profane images or language, including, but not limited to, those indecent words that were the subject of the case of FCC v. Pacifica Foundation, 438 U.S. 726 (1978) (Note: This case involved a monologue by comedian George Carlin concerning the “Filthy Words” which cannot be said on the radio);
10. The Community Event advertised on the Sign Copy must take place within five (5) miles of the City limits.
11. The Community Event advertised on the Sign Copy must be open to all Elk Grove residents; nothing herein shall preclude the Advertiser from charging a fee to attend the Community Event.

Signage Design

In order to keep signs uniform and readable, staff has developed six pre-approved design templates from which prospective advertisers may choose. See Attachment 3 for Design Templates.

Process to Advertise

The City’s Event Advertising Signs will be available on a space available basis. Prospective advertisers will be directed to submit an Event Advertising Request Form online at www.elkgrovecity.org at least six
weeks prior to the event date in order to ensure that the request can be processed and the sign produced, installed, and displayed for at least two weeks prior to the event date.

**Review Process**

The City Manager or designee will review and evaluate the application for compliance with the City’s program guidelines. Applications that do not comply will be rejected. Notification of the application’s acceptance or denial will be provided by the City within 10 business days of receipt of the request. Space is not guaranteed and is provided at the discretion of the City. The City reserves the right to suspend/remove messages at any time.

In the event there are more requests for space than there is space available, priority would be given to requests as follows:

- First Priority – City of Elk Grove.
- Second Priority – Other Public Agencies serving the City (e.g. Elk Grove Unified School District, Cosumnes Community Services District).
- Third Priority – Community events open to the general public sponsored by local non-profit entities.
- Fourth Priority – Community events sponsored by local for-profit entities.
- Fifth Priority – Community events sponsored by an entity (public or private) not physically located in Elk Grove.

**Approval and Billing**

Working with the City’s contracted vendor for production and installation, FASTSIGNS, City staff will coordinate the distribution of a signage proof to each advertiser at least five days before the sign is scheduled to be displayed. The proof must be approved and payment must be submitted before the sign will be produced or installed. Staff proposes a pass-through charge to the applicant in the amount charged by the City, with no mark-up or administrative charge by the City. (See FISCAL IMPACT below.)
Summary of Staff Request.

To conclude, staff seeks Council direction and/or approval on the service organizations proposed for the fixed seal spaces, approval of the proposed program guidelines and approval of the advertising fee. Any requested changes will be incorporated into the Sign Program. Marketing of the program to prospective advertisers will begin in August, 2018 in anticipation of the first installations in late September or early October, 2018.

ALTERNATIVE ACTIONS

The City Council could decline to adopt the proposed Sign Program guidelines and fees. Staff does not recommend this option, as it would be inconsistent with prior City Council direction and would deprive the City and City residents with community event advertising at the advertising signs currently under construction. The City Council could also provide direction to modify the proposed guidelines and staff recommendation, as it deems appropriate.

FISCAL IMPACT

The Sign Program is designed to result in a net zero budget impact. Under the City Manager’s authority, the City has entered into a one year contract with Pacific Coast Signs, Inc. dba FASTSIGNS in an amount not to exceed $24,000, that sets pricing for a set of two identical sign panels at $300. This direct cost to produce and install the signs will be passed along to each advertiser and collected through an online payment system built into the City’s website, without any mark-up or administrative charge by the City. The FY 2018-19 Budget includes anticipated expenses and revenues for up to 120 event advertising panels (60 sets) to be produced, installed and removed each year. During the one year contract, staff will evaluate the Sign Program and return to City Council with any recommendations or extensions of the Sign Program and associated contracts.
