On April 27, 2005, the City Council of the City of Elk Grove adopted this City Code of Ethics, which applies to all City employees, officers, commissions, and elected or appointed officials and requires the following pledge:

City Code of Ethics

Responsibility

- I understand that the community expects me to serve with dignity and respect, as well as be an agent of the democratic process.
- I avoid actions that might cause the public to question my independent judgment.
- I do not use my office or the resources of the city for personal or political gain.
- I am a prudent steward of public resources and actively consider the impact of my decisions on the financial and social stability of the city and its citizens.

Fairness

- I promote consistency, equity and non-discrimination in public agency decision-making.
- I make decisions based on the merits of an issue, including research and facts.
- I encourage diverse public engagement in our decision-making processes and support the public's right to have access to public information concerning the conduct of the City's business.

Respect

- I treat my fellow city officials, staff, commission members and the public with patience, courtesy, civility, and respect, even when we disagree on what is best for the community and its citizens.

Honesty

- I am honest with all elected officials, staff, commission members, boards, the public and others.
- I am prepared to make decisions when necessary for the public's best interest, whether those decisions are popular or not.
- I take responsibility for my actions, even when it is uncomfortable to do so.
