CDBG and Community Services Grants - Reminder

The City of Elk Grove is now accepting applications for Community Services Grants and Community Development Block Grants (CDBG) for the 2010-2011 fiscal year. To better meet the needs of the community, and to streamline the City's grant application process, applicants are invited this year to apply for either or both of the grants using the same application. The City will consider all applications and grant funding requests to determine which proposed activities meet either grant's eligibility criteria. The City's 10th Anniversary is quickly approaching on July 1, 2010. In celebration of this exciting occasion, the Elk Grove Historical Society is developing a time capsule. The capsule will be housed in a Miniature Stage Coach located at City Hall and opened in 2035. Residents are encouraged to participate by sending in suggestions of items they would like to see included in the time capsule. Suggestion forms and additional information can be found at www.elkgrovehistoricalsociety.com.
