

# You're Invited ... to an Open House

## Connecting Our Community to the World

The Sacramento Regional Transit District (RT) invites you to attend an open house to learn about the Green Line to the Airport (also referred to as the Downtown Natomas Airport light rail extension), which will extend light rail approximately 13 miles north from downtown Sacramento to the River District, the Natomas communities and the Sacramento International Airport.

Phase 1 to the River District at 7th Street and Richards Boulevard is under construction and is scheduled to open in January 2011.

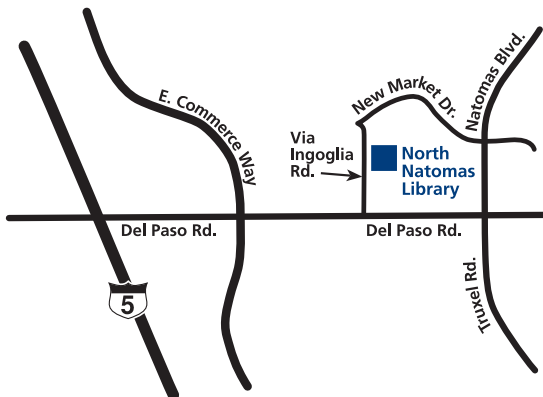

Don't miss this opportunity to learn about the project, provide input and make a difference in your community.

**Friday, January 29, 2010**  
10 a.m. to 4 p.m.

or

**Saturday, January 30, 2010**  
10 a.m. to 2 p.m.

**North Natomas Library**  
4600 Via Ingoglia Road  
Sacramento
