E. Owner Builder Declaration: I hereby affirm that I am exempt from the Contractor's License Law for the following reason (Sec. 7031.5, Business and Professions Code). Any city or county that requires a permit to construct, alter, improve, demolish, or repair any structure prior to its issuance also requires the applicant for such permit to file a signed statement that s/he is licensed pursuant to the provisions of Contractor's License law [Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code] or that he is exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than \$500.

- I, as owner of the property, or my employees with wages as their sole compensation, will do the work; and the structure is not intended or offered for sale (Section 7044, Business and Professions Code). The Contractor's License Law does not apply to an owner of property who builds or improves thereon, and who does such work himself or through his own employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year of completion, the owner-builder will have the burden of proving that he did not build or improve for the purpose of sale.
- I, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044, Business and Professions Code). The Contractor's License Law does not apply to any owner of property who builds or improves thereon, and contractors for such projects with a contractor(s) license pursuant to the Contractor's License Law.
- I am exempt under Section _____ of the B&P Code for this reason _____.
