

Planning and Engineering Online Access

Welcome to the Planning and Public Works online project access. To access our online system, please visit our online services department and click on the Planning & Public Works section.

Once you have reached the main screen to the online access, please follow these directions to access your projects. Please keep in mind that your project may or may not have information on every screen depending on what type of project you have. These directions are to provide basic guidance. Please feel free to use the email links throughout the site to submit questions at any time.

- 1) Enter your project number (e.g. 07-5555) that was given to you when you opened your project.

- 4) To find the Locations that are assigned to this project. Click on the “Locations” button on the far left.

The screenshot shows a Windows Internet Explorer browser window displaying the City of Elk Grove Planning & Zoning website. The address bar shows the URL: <https://c2g.navilinet.com/elgrc2gpz/Locations.jsp>. The page header includes the City of Elk Grove logo and the text "City of Elk Grove California". Below the header is a navigation menu with the following items: Home, Select Project, Project Information, Names, Locations (highlighted with a red box and a right-pointing arrow), Reviews, and Help. The main content area is titled "Project Locations" and displays the following information:

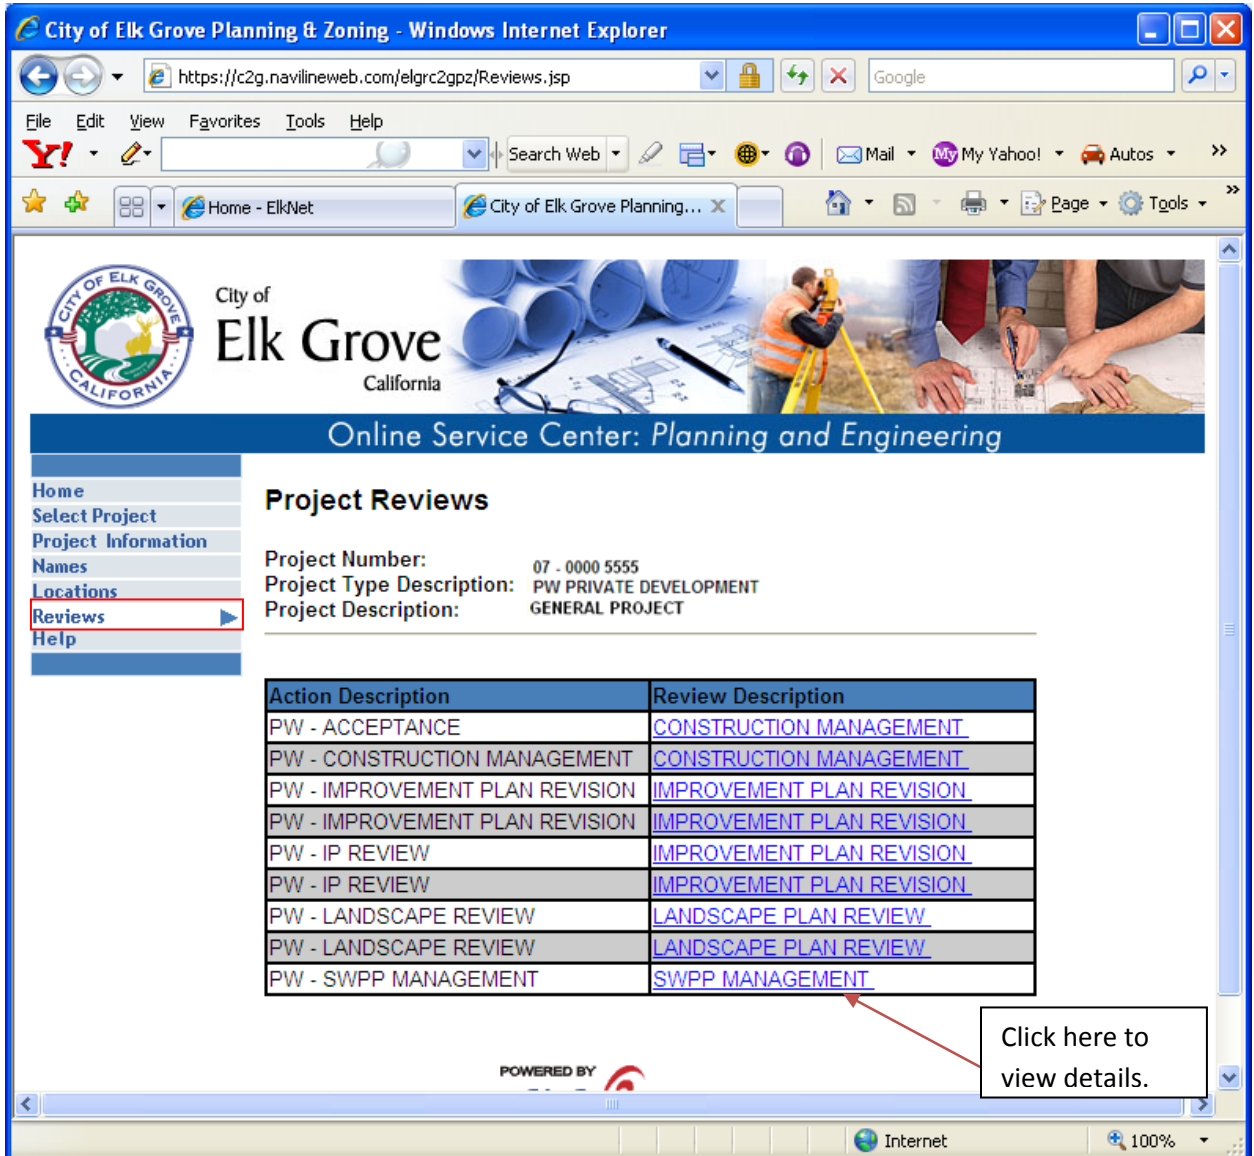

Project Number: 07 - 0000 5555
Project Type Description: PW PRIVATE DEVELOPMENT
Project Description: GENERAL PROJECT

Below this information is a table with the following data:

Address	Parcel	Location ID
5555 Elk Grove Blvd. , ELK GROVE CA 95624 0	111-0111-111-0000	000083814

At the bottom of the page, there is a logo for "POWERED BY Click2Gov". The browser's status bar at the bottom shows "Internet" and "100%" zoom level.

- 5) To view the Reviews that have been completed, please click on the “Reviews” button on the far left.

This does not show the charges owed. The City sends out invoices for all charges and we do not display that on the internet.

Done Internet 100%

******PLEASE NOTE:** The City of Elk Grove does not post the fees associated with the project online. You will see on every project there is no time or charges listed. Due to the complexity and variety of projects, we do not post them via the internet. If you have questions regarding your project, please use the appropriate email link throughout the system.
