FOR IMMEDIATE RELEASE

November 25, 2008

### **City Seeks Input on Flood Control and Storm Drainage Master Plan**

*Elk Grove, CA* – The City of Elk Grove is hosting the second in a series of quarterly public workshops on December 3 about the City's Flood Control and Storm Drainage Master Plan.

The workshop will include a discussion of the topics brought forward during the last meeting on September 3, 2008, an update on the Promenade Mall and Downstream Development Water Quality Monitoring Project, and recent water quality findings in the Stone Lakes National Wildlife Refuge. A final agenda will be posted before the upcoming workshop at: <http://www.egpublicworks.org/workshop.asp>.

The workshop will take place at the City of Elk Grove Council Chambers (8400 Laguna Palms Way) on Wednesday, December 3 from 6 p.m. to 8 p.m.

The public is encouraged to attend the workshops. For more information, please contact Fernando Duenas at (916) 627-3434 or [fduenas@elkgrovecity.org](mailto:fduenas@elkgrovecity.org).

What:	Second Quarterly Facilitated Flood Control and Storm Drainage Master Plan Workshop
Where:	Elk Grove City Council Chambers (8400 Laguna Palms Way)
When:	Wednesday, December 3, 2008 6:00 p.m. – 8:00 p.m.
Why:	To seek public contribution and input on the Flood Control and Storm Drainage Master Plan for the City of Elk Grove and discuss findings of ongoing City water quality monitoring projects.
