### **City Seeks Input on Storm Drainage Master Plan**

*Elk Grove, CA* – The City of Elk Grove is hosting a public workshop on April 9 about the City's Storm Drainage Master Plan, a guiding document that will provide flood protection, improve water quality and address protection of aquatic resources.

Topics will include draft guiding principles for the Plan, a presentation on the revised format for development of the Storm Drain Master Plan and the timeline to complete the development of the plan.

The workshop will take place at the City of Elk Grove Council Chambers (8400 Laguna Palms Way) on Thursday, April 9 from 6 to 8 p.m.

A final agenda will be posted before the upcoming workshop at:  
<http://www.egpublicworks.org/workshop.asp>.

The draft Storm Drainage Master Plan can be viewed at the City of Elk Grove Public Works Department public counter at 8401 Laguna Palms Way, Elk Grove.

The public is encouraged to attend the workshops. For more information, contact Fernando Duenas at (916) 627-3434 or [fduenas@elkgrovecity.org](mailto:fduenas@elkgrovecity.org).
