Community Leaders Needed to Generate Excitement about Census 2010

Elk Grove, CA – To promote public awareness of Census 2010, the City of Elk Grove is partnering with the U.S. Census Bureau to establish a Complete Count Committee and seeks resumes from individuals interested in leading the effort.

The Complete Count Committee will be open to all interested residents and community stakeholders willing to engage in public outreach activities designed to educate residents about the value of completing a Census survey. The goal is a complete, accurate count of Elk Grove's residents in 2010.

"I encourage our community leaders to volunteer to head up the Complete Count Committee, and spread the word about the value of participating in an effort that will affect the quality of life in Elk Grove," said Mayor Pat Hume. "Participating in the Census is an incredibly important civic duty that I encourage all Elk Grove residents to fulfill. The City's population count affects funding levels for vital community programs and legislative representation as well."

On May 13 the Elk Grove City Council will consider appointing one or more committee chairs who will be responsible for leading the outreach activities. Resumes may be submitted to the City Clerk's Office, 8380 Laguna Palms Way, Suite 200, Elk Grove, CA 95758 or via email to sblackston@elkgrovecity.org. For more information, please call the Clerk's office at (916) 478-2202.
