FOR IMMEDIATE RELEASE

April 24, 2009

Weekend Closures at Sheldon/SR 99 Interchange

Elk Grove, CA – Weekend work on the Sheldon Interchange will require evening closures on Highway 99 from Sunday, April 26 at 10:30 p.m. to Monday, April 27 at 6 a.m.

Southbound Hwy 99 will be closed entirely during this timeframe. Rolling closures on Northbound Hwy 99 will allow drivers to pass intermittently.

Representatives from the California Highway Patrol will direct Northbound Hwy 99 traffic. The Southbound Hwy 99 traffic will be detoured onto the southbound off ramp then across Sheldon Road to the new southbound on-ramp.

Detour signs have been placed to notify drivers about the closure and detours.

The Sheldon Interchange reconstruction project remains on schedule, with completion expected in fall 2009.

For more information about the Sheldon Interchange project contact Gary Grunwald at 916/478-2236 or ggrunwald@elkgrovecity.org.
