SHELDON ROAD /STATE ROUTE 99 INTERCHANGE PROJECT

Grand Opening Ceremony set for Friday, December 4

Elk Grove, CA – Key project partners will join City of Elk Grove officials to celebrate the grand opening of the reconstructed Sheldon Road/State Route 99 Interchange Project this Friday, December 4 at 10 a.m. The City of Elk Grove has finished many much needed improvements to an interchange that was built in the 1950's. The newly redesigned and reconstructed Sheldon interchange now provides safer freeway access and increases mobility for commuters and travelers on Highway 99.

“Reducing traffic congestion and improving mobility throughout Elk Grove and the Sacramento region is a priority at the City,” said Mayor Pat Hume. “We were happy to collaborate with Congressman Dan Lungren, our state and regional partners, and Elk Grove residents to provide this much needed interchange upgrade. Improvements to Highway 99 are vital to the region’s economic prosperity and the quality of life for all who use it.”

The celebratory event will be held at the northwest corner of the park-and-ride lot off East Stockton Boulevard. Parking will be available in the lot as well. For event or project information, please contact Angela Frost at (916) 478-2203 or afrost@elkgrovecity.org.

Features of the new Sheldon Road / State Route 99 Interchange

- Widens Sheldon Road to six through-lanes plus turn-lanes
- Replaces existing overpass
- Improves intersections and provides bike lanes and sidewalks on Sheldon Road
- Replaces and widens freeway ramps to provide additional turning lanes
- Realigns frontage roads
- Relocates and expands the existing Park-and-Ride Lot

Sheldon Road/State Route 99

Grand Opening

COMMUNITY. MOBILITY. PROSPERITY.

SHELDON ROAD/SR 99 INTERCHANGE

YOU'RE INVITED!

Connecting the community, enhancing mobility, and restoring prosperity are a few good reasons to celebrate!

Join the City of Elk Grove and the City's valued planning partners to commemorate the official opening of the new Sheldon Road/State Route 99 Interchange.

Above all, the City of Elk Grove wishes to thank the community for their patience during the construction process.
