Elk Grove Releases Annual Financial Report

Elk Grove, CA – The City’s Annual Financial Report is now available online for review. For the second year in a row, staff has created an easy-to-read, transparent document to summarize the City’s audited financials.

“It is important that we communicate clearly and frequently about the City’s finances,” said Mayor Sophia Scherman. “The City’s Annual Financial Report does exactly that by capturing a year’s worth of information and translating it into a format so that every taxpaying citizen knows where their money is going and how it is being spent.”

Hard copies of the report are available at City Hall (8401 Laguna Palms Way), local library branches, or online at www.elkgrovecity.org. For more information, please contact Shell Mercurio at (916) 478-2299.
