### **City Opens New Parking Lot in Old Town Elk Grove**

Elk Grove, CA – Just in time for Old Town First Friday on June 4, the City of Elk Grove is opening a new parking lot in Old Town Elk Grove.

Designed to meet the parking needs of the Old Town businesses and their customers, the new parking lot offers 40 new parking spaces, including two ADA accessible parking spots. The lot is located at 9108 Elk Grove Blvd. near School Street. An aerial map is below.

“Old Town Elk Grove is a gem within our city, and to show it off the City has finalized a new parking lot that will promote additional economic development in Old Town,” said Mayor Sophia Scherman. “It will help attract shoppers and visitors that come to experience the historical side of Elk Grove.”

The lot will be open for Old Town First Friday. Held the first Friday of every month from 5 to 9 p.m., the free event will take place in Old Town Elk Grove on Elk Grove Blvd. between Elk Grove Florin Road and Waterman Road. The Old Town First Friday celebration will offer musical entertainment, art displays, face painting, shopping, dining and more.

For information about the new parking lot, call the City of Elk Grove Public Works Department at 916.478.2256.
