News and Updates

City of Elk Grove joins Facebook, Twitter

In an effort to reach new audiences, the City of Elk Grove now has a presence on Facebook and Twitter. Check us out and follow us online! As always, you can sign up for news, information and updates at the City's website at www.elkgrovecity.org.

2009-2010 Street Sweeping Schedule Announced

A new citywide residential street sweeping schedule begins this July. Avoid parking vehicles on your

street on your designated days. Streets are swept regularly to remove pollutants from the street before they enter the storm drain system, and to maintain the beauty of Elk Grove.

For street sweeping dates in your neighborhood, visit:

http://www.egtrashrecycleservices.org/printables/street_sweep.pdf

Resurfacing Hits the Streets

The City's Annual Resurfacing Program starts its seventh year this summer and continues through October, with many streets getting a much needed touch-up. Regular resurfacing of City streets extends the life of pavement while enhancing roadway safety and improving travel-- it's a cost effective way to use limited resources for maximum benefit. For more information and a list of streets included in this year's program, visit www.elkgrovecity.org.

Emergency Information Page Goes Live

The City and EGPD Public Information Officers have developed a new Emergency Response Webpage blog that can be used in the event of an emergency. The simple Website (<http://cityofelkgrove.blogspot.com>) is independent from the City's site (in the event the servers go down), and can be updated by the PIOs remotely, from Blackberries, etc. In the case of an emergency, the site will be activated, and a link will be prominently posted on the City's homepage.

The Elk Grove Time Capsule Committee Wants to Hear from You!

The Elk Grove Time Capsule Committee Web page is now live and the Committee would like input from the community about what you'd like to see included in the 2010 Time Capsule. The Capsule will be opened in 2035. What will you and your children want to see at the opening ceremony of the time capsule in 2035? What do you think reflects life in Elk Grove from 2000 to 2010? We want your suggestions. Log on to www.elkgrovecity.org and click on the Time Capsule link and tell us what you think!
