Reminder: Send in your Surveys!

A few weeks ago, the City of Elk Grove mailed anonymous surveys to more than 1,200 households selected at random throughout Elk Grove city limits. The feedback the City receives will set benchmarks for tracking the quality of services provided to residents, and help the City Council make decisions that impact the community. If you received the survey by mail, please fill it out and mail it in. Participation is very important! Any questions, call 478-2201.
