Consulting Services Offered for Elk Grove Businesses The Elk Grove Chamber of Commerce, Elk Grove Economic Development Corporation, City of Elk Grove, and Small Business Development Center (SBDC) for the Greater Sacramento Area, partnered to bring SBDC to Elk Grove. This is a great opportunity for businesses to get their questions answered. One-on-one consulting sessions will be offered at the Chamber of Commerce office, at your place of business, or at the SBDC center in Sacramento. Services are at no charge to you because they are funded by taxes you've already paid for. Our SBDC consultant, Dave McDougall, will be available the first Thursday of each month, BY APPOINTMENT ONLY, starting November 5, 2009. To schedule an appointment, please call (916) 563-3210 and ask for Dave. For more information, visit www.sbdc.net<<http://www.sbdc.net> >.

Trick-or-Treat at City Hall

Elk Grove City Hall invites all ghosts, goblins, witches, and people of all ages to stop by City offices on Friday, October 30, from 3 p.m. to 5 p.m. for a yummy treat exchange. All public counters will be waiting for your lively arrival. City Hall is located at 8401 Laguna Palms Way, Elk Grove, CA 95758.

Road Work on Franklin Boulevard

Franklin Boulevard will be paved with rubberized asphalt beginning tomorrow, October 27, through Thursday, November 5, depending on weather conditions. Monday through Friday, Franklin Boulevard will be reduced to one lane between the hours of 9 a.m. to 3 p.m. The paving operation was originally contemplated to be done at night; however, due to cold temperatures and the temperature-sensitivity of the rubberized asphalt product, paving will be performed during the day. For more information, please call (916) 683-7111.
