#### **News and Updates**

##### **Census 2010 Web Chat Tomorrow**

Have you sent in your 2010 Census form yet? Have questions about how these forms will impact the Elk Grove community? In a live web chat tomorrow, we'll cover how the census count will be used for distributing more than \$300 billion in federal funds, drawing legislative districts, attracting new business to the region, and planning for government services. Plus, we'll answer any questions you may have in real-time! Join us tomorrow for the Elk Grove Online "City Chat" at 2 p.m. at [www.elk-grove.com](http://www.elk-grove.com).

##### **Developers and Contractors, Mark Your Calendars for April 5!**

The City is hosting a "meet and greet" workshop for developers and contractors on Monday, April 5. It's an opportunity to meet with City staff, ask questions about building permit requirements and policies, and share feedback about what we're doing right and where we can improve. We'll also cover the newly-effective California Title 24 Energy Code requirements. Reservations are required and lunch will be provided. Please contact Taffy McAlwee at 916-478-2239 or [tmcalwee@elkgrovecity.org](mailto:tmcalwee@elkgrovecity.org) to reserve your spot. (4/5, Council Chambers, 11:30 a.m.)

##### **Utility User Tax Public Meeting this Tuesday**

This week offers another opportunity to learn more about the Utility User Tax (UUT), which is currently included on gas, electricity, sewer and telephone services bills. The meeting on Tuesday will include a discussion about the purpose of the UUT, the need to modernize the language to reflect technological

advances and changes in state and federal law, possible expansion of the policy as well as a possible reduction of the rate. (Council Chambers; 3/30, 6 p.m.)
