News and Updates

City Introduces New Online Tracking System

Have a request or a question for the City of Elk Grove? Street light that needs replacing? Abandoned trash in your neighborhood? Now you can report it and track the answer online. Simply create an online account to enter requests and track their progress 24 hours a day. By partnering with residents, the City is able to be even more efficient in responding to requests. Check it out at the online services section of elkgrovecity.org.

Time Capsule to Send Message to Future Elk Grove Generations

We want to know... What item best depicts Elk Grove's heritage, culture, and way of life? What will you or your children think of these items in 2035? Volunteers from the Elk Grove community have spent months working with a cross section of civic leaders and residents to identify good ideas for the time capsule. And we want to hear from you! Submit your ideas online at egtimecapsule.com.

Save Your Old Athletic Shoes for a Massive Citywide Recycling Event

Don't throw out those old sneakers! In honor of Earth Week, Elk Grove agencies will be teaming up to keep thousands of athletic shoes out of the region's landfills. From April 19 through the 23rd, the City of Elk Grove, Elk Grove Unified School District and Cosumnes CSD will be collecting old athletic shoes at

various locations throughout the city. Hang on to those shoes, and check elkgrovecity.org for more details.
