2014 ZONING CODE AMENDMENTS (UPDATE 3) – GENERAL PLAN AMENDMENT, ZONING CODE AMENDMENT, REZONE, AMENDMENT TO CITYWIDE DESIGN GUIDELINES

The proposed action is a series of City-initiated amendments to the General Plan, Titles 22 (Land Development) & 23 (Zoning) of the Municipal Code, and the Citywide Design Guidelines. Highlights of the proposed amendments include, but are not limited to, the following:

- Effect of Code amendments on pending applications
- Appeals process
- Changes to various permit and entitlement requirements, including Design Review and minor deviations
- Updates to various land use descriptions and permit requirements
- Consideration for allowing indoor shooting ranges with a minor conditional use permit in the Light Industrial (LI) zoning district
- Restructuring Division III of the Zoning Code (Zoning Districts, Allowed Uses, and Development Standards) for improved usability
- Updated Density Bonus provisions for consistency with State law
- Updated fence standards for consistency with City-adopted Building Code
- Updated parking standards for consistency with Division III of the Zoning Code
- Updated standards for noncommercial signs, including an allowance for increases in maximum area during the period before and just after a general or special election
- Clarification of allowed encroachments into required residential yard areas for consistency with accessory structure standards
- Updates to the service station, residential care facility, and drive-in and drive-through standards
- Clarifications to the home occupation provisions to clarify prohibited retail sales
- Repeal and prohibition of medical marijuana cultivation
- Amendments to the definition of a kitchen and addition of a definition for kitchenette
- Rezoning for 12 sites as identified below
- Updates to the parkland dedication procedures to reflect changes in Census data and provisions for providing private open space as part of a new development
- Amendment to General Plan policy LU-3 to remove the TC zone, reflect the change from M-1 and M-2 to LI and HI, respectively, and adding the Open Space zoning district to the allowed districts implementing the Institutional General Plan Land Use Designation
- General Plan Land Use Map amendments for 5 sites as identified below
