Activity Description:

The acquisition and rehabilitation program will provide funding to an eligible developer to purchase and rehabilitate homes or residential properties that will be sold to very low-income households. Funds for this component will meet the very low-income housing requirement for those below 50 percent of the area median income.

For the two rental units, the City will work with one or more nonprofits interested in purchasing and managing two condo units within the City.

Location Description:

Owner units: 8728 Elk Way; 9472 Queensbury Court; 9578 Jan Marie Way; and 9313 Aizenberg Circle; 2 units to be purchased within City of Elk Grove

Renter units: 9532 Emerald Park Drive #3; 9508 Emerald Park Drive #4

Activity Progress Narrative:

This activity is complete.

Please note: There are 8 households shown, but only 6 units. The two rental units, both two-bedroom condos, are used by the nonprofit that owns them as shared housing, meaning that each bedroom is leased to a separate household.

Note: For this report, a total of -6 properties are shown. This is an attempt to clarify the outcomes, for which previous reports double-counted some properties. A total of 6 properties were completed for this activity.

Activity Description:

In order to prevent further blight and decline in housing values, the City will purchase or assist in the purchase of residential properties that have not been occupied. These properties will have been either foreclosed upon or abandoned. Properties may include foreclosed homes requiring substantial rehabilitation, half-built homes abandoned by developers, and build-ready lots. The City will redevelop these properties as housing. The City may demolish existing improvements or structures on these properties subsequent to purchase and prior to redevelopment, as necessary.
