

## Chinese Drum Craft

### How to Make a Homemade Chinese Drum

- Step 1. Gather and organize all of the materials you plan to use when making the poles
  - Wooden Spoon
  - Shoelace
  - Two old CD's / DVD's
  - Wooden Beads
  - Acrylic Paint
  - Strong Glue
- Step 2. Thread a bead onto each end of a shoelace and make a knot to secure the ends. Then wrap the shoelace around the spoon, gluing in place leaving a short length on each side
- Step 3. Glue an old CD or DVD to either side of the spoon
- Step 4: When the glue is dry, paint your "drum" with acrylic paints
- Step 5: Get that rhythm going and have fun!
