

November 2019

NEW CALIFORNIA BUILDING STANDARDS CODES

The 2019 California Building Standards Code (Cal. Code Regs., Title 24) was published July 1, 2019, with an **effective date of January 1, 2020**. These codes are ***the State of California mandatory minimum design standards for construction***. The City of Elk Grove adopted these codes without amendment by ordinance on November 13, 2019.

All plans submitted for permit application on or after January 1, 2020 will need to show compliance with the following list of the new Building Standards Codes.

| 2019 Building Standards Code | Model Code | Published by |
|--|---|--|
| Part 2 California Building Code, Volumes 1 & 2 | 2018 International Building Code | International Code Council (ICC) |
| Part 2.5 California Residential Code | 2018 International Residential Code | International Code Council (ICC) |
| Part 3 California Electrical Code | 2018 National Electric Code | National Fire Protection Association |
| Part 4 California Mechanical Code | 2018 Uniform Mechanical Code | International Association of Plumbing and Mechanical Officials (IAPMO) |
| Part 5 California Plumbing Code | 2018 Uniform Plumbing Code | International Association of Plumbing and Mechanical Officials (IAPMO) |
| Part 6 California Energy Code | California Energy Commission | International Code Council (ICC) |
| Part 8 California Historical Building Code | 2018 International Historical Building Code | International Code Council (ICC) |
| Part 10 California Existing Building Code | 2018 International Existing Building Code | International Code Council (ICC) |
| Part 11 California Green Building Standards Code | California Green Building Standards Code | International Code Council (ICC) |
| Part 12 California Reference Standards Code | | International Code Council (ICC) |

NOTE: The 2019 California Fire Code is adopted by the Consumes Community Services Fire District with localized amendments. CSD Fire is responsible for the enforcement of the California Fire Code. These amendments can be viewed at CSD Fire Prevention office located at 10573 E Stockton BLVD, Elk Grove, CA.

General information about the code development and adoption process may be found at the **California Building Standards Commission** website at: www.bsc.ca.gov/Home.aspx
