

**RESOLUTION NO. 2009-85**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ELK GROVE  
APPROVING A LETTER PUBLIC CONVENIENCE AND NECESSITY FOR  
RITE AID #6494 LOCATED AT 9260 ELK GROVE BOULEVARD  
PROJECT NO. EG-09-013, ASSESSOR PARCEL NUMBER 134-0050-001**

**WHEREAS**, the Planning Division of the City of Elk Grove received an application on February 23, 2009 from Thrifty Payless Inc. (the "Applicant") requesting a Letter of Public Convenience and Necessity to obtain a Type 21 (Off-Site General) alcohol license from the Department of Alcoholic Beverage Control for Rite Aid store #6494, located at 9260 Elk Grove Boulevard; and

**WHEREAS**, the proposed project is located on real property in the incorporated portions of the City of Elk Grove more particularly described as 134-0050-001; and

**WHEREAS**, Chapter 4.54, Article 5 of the Elk Grove Municipal Code establishes the City Council as the appropriate authority to hear and decide on all Letter of Public Convenience and Necessity requests; and

**WHEREAS**, the project is exempt from California Environmental Quality Act (CEQA) review under §15061(b) (3) of the CEQA Guidelines because a Letter of Public Convenience will not with reasonable certainty have a possible effect on the environment; and

**WHEREAS**, the City Council held a duly noticed public hearing as required by law to consider all of the information presented by staff, information presented by the project proponent, and public testimony presented in writing and at the meeting.

**NOW, THEREFORE, BE IT RESOLVED** that the City Council of the City of Elk Grove hereby approves the Letter of Public Convenience and Necessity for Rite Aid #6494 based on the following findings:

**California Environmental Quality Act (CEQA)**

Finding: The project is exempt from CEQA review.

Evidence: Pursuant to §15061(b)(3) of the CEQA Guidelines, an activity is covered by the general rule that CEQA review only applies to projects, which have the potential for causing a significant effect on the environment. A Letter of Public Convenience and Necessity will not with reasonable certainty have a possible effect on the environment.

**Public Convenience and Necessity**

Finding: Public Convenience and Necessity is met by the issuance of a Type 21 (Off-Site General) alcohol license for Rite Aid #6494.

**Evidence:** According to the Elk Grove Police Department, the Community Enhancement Department, the Building Department, the City Attorney, and the Sacramento County Environmental Health and Safety Department, no existing violations against the property or Applicant have occurred that would discourage the issuance of a Type 21 alcohol license for Rite Aid #6494. The public convenience would be served by allowing customers to purchase wine, beer, or distilled spirits from the store to be consumed off-site.

**PASSED AND ADOPTED** by the City Council of the City of Elk Grove this 22<sup>nd</sup> day of April 2009.

PATRICK HUME, MAYOR of the
