

RESOLUTION NO. 2018-067

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ELK GROVE
IDENTIFYING THE 2019 PAVEMENT SLURRY SEAL AND RESURFACING
PROJECT (WPR019) AND THE PAVEMENT REHABILITATION 2019 PROJECT
(WPR022) AS THE CITY'S LOCAL STREETS AND ROADS PROJECTS FOR
FISCAL YEAR 2018-19**

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of Elk Grove are aware of the projects proposed for funding in the community and which projects have been completed each fiscal year; and

WHEREAS, the City must include a list of all projects proposed to receive funding from the Local Streets and Roads Program created by SB 1, in the City budget, which list must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, Road Maintenance and Rehabilitation Account (RMRA) reporting requirements necessitate that this funding be separately tracked for reporting purposes; and

WHEREAS, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

WHEREAS, the City anticipates receiving an estimated \$2,835,000 in Local Streets and Roads Program funding in Fiscal Year 2018-19 from SB 1 for the 2019 Pavement Slurry Seal and Resurfacing Project (WPR019) and Pavement Rehabilitation 2019 Project (WPR018); and

WHEREAS, proposed City streets anticipated to be improved by these two projects are identified in Exhibits A and B to this resolution, incorporated herein by reference; and

WHEREAS, the projects are expected to be under construction in the Spring of 2019, with a life expectancy ranging from five years (seals) to ten years (rehabilitation); and

WHEREAS, the SB 1 project list and overall investment in the City's local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, where feasible, will have significant positive benefits citywide.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Elk Grove hereby:

- 1) Identifies the 2019 Pavement Slurry Seal and Resurfacing Project (WPR019) and the Pavement Rehabilitation 2019 Project (WPR022) as the City's Local Streets and Roads projects for Fiscal Year 2018-19.
- 2) Identifies the proposed City streets to be improved by these two projects as presented in Exhibits A and B to this Resolution.

PASSED AND ADOPTED by the City Council of the City of Elk Grove this 11th day of April 2018.

STEVE LY, MAYOR of the
CITY OF ELK GROVE

ATTEST:

JASON LINDGREN, CITY CLERK

APPROVED AS TO FORM:

JONATHAN P. HOBBS,
CITY ATTORNEY
