

**QUESTIONS AND ANSWERS FOR
REQUEST FOR PROPOSALS
BOND ROAD MURAL**

Dated May 9, 2023

Q1. I would like to clarify the wall dimensions. The proposal indicates 27'x 171' and 35'x 171'. The wall height appears to be lower than 27' and 35' from the provided photographs. Please let me know if the measurements are up-to-date and if any additional/ongoing construction will occur to alter the photographed spaces.

A1. The measurements are up to date and no additional work is planned for these areas. The wall does taper in some areas, but we used the tallest heights of the wall in the RFP to ensure the artist could plan for the tallest points.
