## **CITY OF ELK GROVE UTILITY RATE ASSISTANCE**

The City of Elk Grove offers rate assistance for qualifying customers. The program will recognize SMUD's Energy Assistance Program Rate (EAPR) qualifications and allow customers who provide proof of participation in SMUD's EAPR program to receive a 20% discount on the amount they are charged bi-monthly for their garbage carts. The discount does not apply to the deposit required for establishing service. Participants will be subject to all late fees and penalties for delinquent payments that apply to non- participants.

The following criteria must be met in order to qualify for the Rate Assistance Program:

1. You must provide documentation that your address receives SMUD's Energy Assistance Program Rate.
2. You must be a current Republic Services customer. Please provide a copy of your most current Republic Services statement.
3. You must provide re-verification documentation upon request for continued participation in the program.
4. You must notify the City of Elk Grove if you no longer qualify for the program.

The City may, at its discretion, suspend or discontinue the program at any time.
