Attachment 10B: General Correspondence

Attachment 10B contains general correspondence concerning the proposed project. From October 2021 to May 2024, the City received over 300 comments, emails, and phone calls regarding the project. Among these communications, 285 individual names were documented expressing either support or opposition to the project, with a small number of neutral comments.

Approximately 5% of the feedback was **neutral**, consisting mainly of inquiries about the project, expressions of interest in job or volunteer opportunities, and requests for further information, which may not signify a stance of support or opposition.

Approximately 4% (12 comments) of the feedback was in **opposition** to the project, with individuals citing issues such as noise, odors, traffic, location, and apprehensions about what would happen to the existing zoo.

Approximately 91% (259 comments) of the feedback expressed support for the project.

It is important to note that the votes include input from both Elk Grove residents and non-residents. Additionally, the signatures from the organization letters of support included in Attachment 10A were not included in the final vote tally.
